The Motlow College Foundation will host the 26th annual Motlow Gala on Saturday, March 31, at the Manchester-Coffee County Conference Center to raise funds for financial assistance to Motlow students. The event is sponsored by Jack Daniel Distillery and Southern Community Bank. Pictured above, from left are, James Fuller, vice president of Southern Community Bank; Bill Yoder, president and CEO of Southern Community Bank; Hilda Tunstill, Motlow State interim president; Lane Yoder, executive director of the Motlow College Foundation; and Jeff Arnett, master distiller for Jack Daniel Distillery.

Motlow Gala March 31

The Motlow College Foundation will host the 26th annual Motlow Gala on Saturday, March 31, at the Manchester-Coffee County Conference Center. Festivities will begin with a champagne social hour at 5:30 p.m. during which guests can peruse donated silent auction items, and dinner will be served at 6:30. The Foundation will also host a Gala Preview Cocktail party on Saturday, March 17.

Proceeds from both events help the Motlow College Foundation provide financial assistance to Motlow students.

This year's gala features a masquerade theme, according to Lane Yoder, executive director of the Foundation. "The Motlow Gala has not had a theme since 2012, and we thought it was time to bring the idea back," said Yoder. "The inspiration for the night is black tie, long gowns, cocktail attire, masks, feathers, boas, glitz, glamour and shimmer."

Entertainment for the gala will be provided by the

popular Nashville-based band, Burning Las Vegas. "Burning Las Vegas will have everyone up and dancing the night away," Yoder added with a smile. "They put on a fantastic show." Dancing will begin at 8:00 p.m. and follows a brief program and fast-paced auction.

Jack Daniel Distillery and Southern Community Bank return this year as Gala sponsors.

Also returning will be the Gala Preview Cocktail Party, to be held Saturday, March 17, at the home of Drs. Patty and Jeff Marvel of Tullahoma. "The idea behind the Gala Preview Party is to elevate the excitement about the Motlow Gala by having a type of reveal party for the collection of live auction

items that have been so graciously donated by area businesses and individuals," stated Yoder. Drinks, a cocktail buffet, and live music by area musicians will be provided.

Important to note is that Student Ambassadors from Motlow will be participating in both the Motlow Gala as well as the Preview Party, allowing guests to have an opportunity to interact with students.

Tickets to the Gala Preview Party are \$75 per person, and tickets to the Motlow Gala are \$125 per person. The deadline to purchase both is Wednesday, March 14. Tickets can be purchased online at mscc.edu/gala2018 or by calling the Motlow College Foundation office at 931-393-1543.

Motlow seeks adjunct faculty

LYNCHBURG - Motlow State Community College is holding multiple career fairs in March for anyone interested in becoming an adjunct faculty member. The events will be held at all four Motlow State campuses from 5 - 7 p.m. Event dates, campus locations and contact information are:

- March 20, McMinnville Campus, 225 Cadillac Lane, McMinnville, Front Lobby; 931-668-7010, Kathy Reynolds
- March 22, Moore County Campus, 6015 Ledford Mill Rd., Tullahoma, Forrester Student Center, Jack Daniels Dining Room; 931-393-1700, Bobbie Spratlin
- March 27, Smyrna Campus, 5002 Motlow College Blvd., Smyrna; Mary Lou Apple Science Technology and Allied Health building, Rooms 204 and 205; 615-220-7802, Estelle Davis, or email AdjunctCareersSmyrna@mscc.edu
- March 29, Fayetteville Campus, 1802 Winchester Hwy., Fayetteville; Sundquist Center for Academic Technology building, Room FC 023; 931-438-0028, Michelle Cox

Motlow State is one of the fastest growing colleges in Tennessee. This growth has created a strong need for additional faculty.

Attendees of the career fairs will have an opportunity to meet Motlow State's academic team to learn about employment opportunities. Refreshments will be served, and RSVP is appreciated by calling the specific campus phone number listed above.

Adjunct faculty can teach a maximum of 12 hours in the fall and spring semesters for a total of 24 hours per academic year. Positions available include teaching day, evening, weekend and online classes at all four Motlow campuses.

Course subjects include: accounting, anthropology, art, biology, business, chemistry, clinical nursing (BSN accepted, MSN preferred), computer science, criminal justice, early childhood education, economics, education, engineering, English, geography, geology, health/physical education, history, information systems, mass communications, mathematics, mechatronics, music, physical science, physics, political science, psychology, reading, sociology, Spanish, speech and theatre.

A master's degree in any of the aforementioned areas of study, or a master's degree in any area with 18 graduate semester hours in one of the areas, is required to apply.

Mechatronics requires an engineering or engineering technology degree, with a minimum of five years experience in a manufacturing environment.

A bachelor's degree or higher is required to teach learning support math, English, and reading.

Motlow is also seeking new instructors for workforce and professional development careers and for summer camps. Individuals with credentials to teach work-readiness skills who are interested in contracting with the College are also encouraged to attend the career fairs.

High-demand professional development and continuing education training examples are: Quickbooks, Excel, graphics design, Lean Six Sigma, logistics, procurement contracts, management and all fields where certifications lead to employment or advancement.

Adjunct and instructor candidates may complete an interest form at MotlowAdjuncts.com. For more information about Motlow State Community College, go to mscc.edu.
