

Dentist brings smiles

Photo provided
Smithville First United Methodist Preschool had a special visit from Mrs. Beth Gill and Rufus from Dr. Tatum's dentist office. They talked to the children about the importance of keeping our teeth healthy. The kids loved brushing Rufus' teeth and some of them even got sprayed. Pictured are Beth Gill and Rufus along with Charlee Mac Winfree.

Bass named to DTC board

Kurt Bass has been appointed as a member of the DTC Communications Board of Directors in the Temperance Hall exchange, filling the unexpired term of Jimmy Oakley who recently resigned. Oakley proudly served on the board from 2011-2017, always keeping the best interests of the cooperative and its members at heart. Bass serves as a licensed funeral director and apprentice embalmer with Bass Funeral Home, Inc. in Gordonsville and Carthage, and Avant Funeral Home in Alexandria, becoming the fifth generation member in his family business. He is a 2010 graduate of Gordonsville High School and attended the University of Tennessee in Knoxville. In 2012,

Bass earned a Funeral Director certificate from John A. Gupton College in Nashville. In 2016, he earned an Accounting degree from Tennessee Tech University in Cookeville. Bass is the son of Danny and the late Annette Manning Bass of Lancaster. He is married to Christina Massey of Stonewall, and they have two children, Benjamin and Katherine. He and his family attend Carthage United Methodist Church where he serves on the board of trustees, and is involved in both the youth group and choir. Bass is also a member of the Southside Lions Club and the Carthage Masonic Lodge. "My family has been involved with DTC Communications since the very beginning, previ-

ously having several family members serve on the board of directors," said Bass of his appointment to the board. "Serving people has been a tradition in my family through our business and with communications. I look forward to this opportunity to represent not only the people of Temperance Hall, but each and every member of the cooperative." DTC Communications is a member-owned telecommunications cooperative established in 1951. The cooperative provides communication, entertainment, and security products and services to residential and business customers, primarily throughout Middle Tennessee.

CITY COUNCIL

Some of the things accomplished in my term include: the 3 million dollar sewer plant renovation, new sanitation truck, \$300k plus increase in tax revenues with no tax increases to the citizens of Smithville, new fire truck, and new Animal Shelter. We are currently applying for another \$500k grant for sewer line replacement and a recreation grant. I would like to continue to be a progressive voice for the people of Smithville. Feel free to call or stop by my office with questions and concerns.
I am asking for your vote in the upcoming August General Election.
