JUSTIN WASHER

Tennis teams meet with mixed results

DUANE SHERRILL
News/Sports Smithville Review
Smithville, Tennessee

It was a split last week for DeKalb County tennis as the boys did not lose a meet while the girls came up short in all three of their contests.

The boys' wins included a squeaker over Warren County in which the Tigers edged their southern neighbor 5-4 in matches. Ethan Cantrell, Eli Cantrell and Garrett Hayes took wins while top seed Lance Davis, along with Dason Medlin and Justin Washer, were defeated in their matches. The edge came down to doubles where DeKalb won two matches

to one with the teams of Davis and Ethan Cantrell, along with Medlin and Eli Cantrell, winning their tilts while Christian Trail and Ben Snipes were defeated.

In girls action at the Warren County courts, Daisy Hernandez was the only singles winner while the team of Shelby Clayborn and Hannah McBride took the only doubles win.

In other action this past week the boys handed it to Sparta, winning seven of their nine matches while the girls came up short, winning three of nine matches. The boys dominated Cannon County, winning all but one of their seven matches while the girls won two of its seven matches.

Experiencing a Granddaughter's Wedding

Roy's Miracle-Ear Story

"My granddaughter was getting married, and she has a very soft voice. I wanted to be able to hear her say 'I do.'"

Roy scheduled a visit to a Miracle-Ear® Center, and he has been very pleased with his new hearing aids.

"My hearing is greatly improved. And there is no feedback," he explains. "Now, I criticize my family for turning the TV volume up too high!"

Roy's Miracle-Ear hearing aids are so comfortable; he sometimes forgets to take them out at night. At other times, when lying in bed, he purposely uses just one hearing aid: "I lie on my side to watch TV in bed, and I'm able to keep the volume down and not disturb my wife at all."

Roy found the treatment he received at Miracle-Ear to be excellent. "Everything is very professional and up front. No hidden gimmicks," he says.

And, yes, he enjoyed his granddaughter's wedding.

Join us **April 23rd - April 27th** to celebrate the sounds of Love and Laughter at our **Hearing Health Event**.
