TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION

Division of Water Resources

William R. Snodgrass Tennessee Tower

312 Rosa L. Parks Avenue, 11th Floor

Nashville, Tennessee 37243

TO WHOM IT MAY CONCERN: The application described below has been submitted for an Aquatic Resource

Alteration Permit under The Tennessee Water Quality Control Act of 1977, T.C.A. §69-3-108 n addition, federal

permits may be required from the U.S. Army Corps of Engineers and the Tennessee Valley Authority under §404

of the Clean Water Act and §26a of the Tennessee Valley Authority Act, respectively. Section 401 of the Clean

Water Act requires that an applicant obtain a water quality certification from the state when a federal permit is

required. This notice may cover applications subject to §401. No decision has been made whether to issue or

deny this application. The purpose of this notice is to inform interested parties of this permit application and to

ask for comments and information necessary to determine possible impacts to water quality. Persons wishing

to comment on the proposal are invited to submit written comments to the Division. Written comments must be

received within thirty days of the date that this notice is posted. Comments will become part of the record and

will be considered in the final decision. The applicant's name and permit number should be referenced. Send all

written comments to the Division's address listed above and to the attention of the permit coordinator (indicated

below). You may also comment via email to water permits@tn.gov. After the Division makes a final permit

decision, a permit appeal may be filed by the applicant or by any person who participated in the public comment

period whose appeal is based on comments given to the Division in writing during the public comment period

or in testimony at a formal public hearing. The permit application, supporting documentation including detailed

plans and maps, and related comments are available at the Division's address (listed above) for review and/or

copying or by visiting the TDEC website at https://www.tn.gov/environment/topic/ppo-water and searching on the

Application Number listed below. Interested persons may also request in writing that the Division hold a public

hearing on this application. The request must be filed within the comment period, indicate the interest of the

person requesting it, the reason(s) that the hearing is warranted, and the water quality issues being raised. When

there is sufficient public interest in water quality issues, the Division shall hold a public hearing in accordance

with 0400-40-07-.04(4)(f). In deciding whether to issue or deny a permit, the Division will consider all comments

of record and the requirements of applicable federal and state laws. In making this decision, a determination will

be made regarding the lost value of the resource compared to the value of any proposed mitigation. The Division

shall consider practicable alternatives to the alteration, loss of waters or habital, diminishment in biological

diversity, cumulative or secondary impacts to the water resource, and adverse impacts to unique, high quality,

or impaired waters. APPLICATION NUMBER: NRS 18.068 PERMIT COORDINATOR: Robert Wayne, 615

Separate sealed bids for the 2018 WATER SYSTEM IMPROVEMENTS - WHORTON SPRINGS ROAD BOOSTER STATION will be received by the DeKalb Utility District located at 191 Tiger Drive, Smithville, Tennessee 37166 until 2:00 PM local time on Tuesday, June 5, 2018, and then at said time and place publicly opened and read aloud.

This project consists of the construction of a 125 gallon per minute (gpm) variable speed constant pressure duplex booster station with bypass and all appurtenances thereto

The Instructions to Bidders, Form of Agreement, Drawings, Specifications, Form of Bid Bond and of Performance and Payment Bonds, and other bidding instruments may be examined at the DeKalb Utility District and at:

Goodwyn, Mills & Cawood, Inc. 3310 West End Avenue, Suite 420 Nashville, Tennessee 37203 Phone: (615) 333-7200

AND

Builders Exchange of Tennessee 301 S Perimeter Park Dr, Ste 100, Office 9 Nashville, Tennessee 37211 Phone: (615) 690-7200

Copies of the bidding documents may be obtained at the office of GOODWYN, MILLS AND CAWOOD, INC. upon the NON-REFUNDABLE payment of \$125.00 per set.

The Owner reserves the right to waive any informality in the bidding and to reject any or all bids.

All Bidders must be licensed Contractors in the State of Tennessee in strict accordance with State regulations. No bid will be opened unless the outside of the sealed envelope containing the bid provides the following information: the name, license number, the date of the license's expiration, and the classification of the contractors applying to the bid for the prime contract and for electrical, plumbing, heating, ventilation, and air conditioning contracts, except when the bid is in an amount less than twenty-five thousand dollars (\$25,000). When the bid is less than twenty-five thousand dollars (\$25,000), the name of the contractor only may appear on the outside of the envelope containing the bid, and upon opening the envelope, if such bid is in excess of twenty-five thousand dollars (\$25,000), the same shall automatically be disqualified. Prime contractor bidders who are to perform the electrical, plumbing, heating, ventilation and air conditioning must be so designated upon the outside of the envelope. Failure of any bidder to comply therewith shall void such bid and the envelope containing such bid shall not be opened or considered. In the case of joint ventures bids, each party submitting the bid must provide this information. All Bidders shall comply with the Contractors Licensing Act of 1976 and as amended (TCA Title 62). All bidders shall comply with the Tennessee Contractor' License law Section 62-6-119 (Bid documents - Required disclosure by bidders) when submitting bids.

All bids must be made out on the Bid Form bound in the contract documents, and the Bid Form should not be detached from the contract documents. Bids will not be opened from Bidders who have not obtained the contract documents from the Engineer.

With the bid, each Bidder must deposit security in the amount of five percent (5%) of the amount of the bid, subject to the conditions stated in the Instructions to Bidders. A Performance Bond and a Payment Bond, each in the amount of one hundred percent (100%) of the contract amount will be required for the successful Bidder

No Bidder may withdraw his bid within ninety (90) days after the actual date of the opening thereof.

Roger Turney, President DeKalb Utility District
