At approximately 10:31 a.m. police responded to 303 East Broad Street in reference to a male passed out in a car. The officer made contact with Rowan who was passed out in the driver's seat with the car engine running. After waking Rowan the officer smelled a strong odor of marijuana coming from the vehicle. The officer asked him to step out of the vehicle and upon exiting the officer noticed a green leafy substance in the seat believed to be approximately two grams of marijuana. Rowan was asked several questions and he was very belligerent and could not complete his sentences. His speech was slurred and he kept repeating the same sentence over and over. After searching Rowan's car the officer found a small bag that contained three grams of a crystal-like substance that tested positive for methamphetamine. Rowan refused a blood test and was placed under arrest for DUI and taken to the SPD where

a search warrant to take his blood for chemical testing obtained.

Warrants state Murphy did force entry into the victim's home at Walker Drive by kicking in a locked door causing approximately \$400 in damage to the door and frame. Once inside Murphy admitted to locating the victim and assaulting him by punching him in the face and about the body several times after learning of a sexual assault allegation made by his daughter against the victim.

cer tried to cuff him he did resist by trying to pull away. After a short time a deputy arrived at the scene and assisted the officer in cuffing him and he was placed in custody. EMS was called to the Police Department to check Brimer due to the officer tasing him and while he was sitting in the back of the ambulance he started yelling, cussing, and threatened one of the Paramedics. An officer went to the back of the ambulance to take Brimer out and back into the PD when he attacked the officer by pushing him from the back of the ambulance. Brimer was taken to the ground where he continued to fight the officers until they were able to subdue him and take him back

into the Police Department. **RICKEY MARTIN, 37**, of Miller Road was cited for simple possession.
