at the break.

The Tigers would continue their proficiency in the second half, taking a 28-6 lead behind a Tre Ladet 39-yard gallop to give his team a 28-6 lead which would prove to be the final score. Ladet ran the ball seven times for 84 yards, his increased carries coming in the absence of backfield workhorse David Bradford who was injured late in the Watertown game last week.

Coach Trapp said Bradford's availability for the rest of the season is unclear. Sharing

the load with Ladet was running back Nathaniel Crook who carried the ball four times for 19 yards.

With the win, Coach Trapp said the Tigers need to keep building on the positives when they travel to Cannon County Friday night for a 7 p.m. kick off.

"This isn't the same old Cannon County team we've seen in the past," Trapp said. "They have some talented players and we're going to have our work cut out for us."

The Cannon County Lions share a 2-3 record with the Tigers. They lost last week at Upperman,

49-0, the same Upperman team that beat the Tigers 43-0 a few weeks

ago. The Tigers beat Cannon County here last year 42-0.

DeKalb High's top golfers are bound for the state tournament after qualifying in the regional tournament in Cleveland Monday.

Senior Isaac Walker and Junior Anna Chew both advanced to the state tournament which will be held at Willowbrook Country Club near Manchester this Tuesday and Wednesday. The 36-hole tournament will pit the state's best boys and girls golfers.

According to DeKalb Golf Coach John Pryor, Walker finished second in the regional tournament, firing a 76, just one shot back from regional winner Dalton Sutton of Walker Valley, his round good enough for second place. His finish comes from a field of 39 golfers who were in the qualifying tournament.

Meanwhile, Chew fired an 81, finishing eight strokes behind winner Hannah Nall. Her round was good enough for third place out of a field of 27 of the region's top female high school golfers.

The pair advanced to regionals after doing well in district last week, where they participated with the DeKalb County squad. Walker shot a 74 and finished third at the Golden Eagle Golf Course in Cookeville, while Chew took second with a 73, just one shot off the lead.

Overall in the district tournament, the DeKalb County Boys team finished eighth out of nine teams with a combined score of 384. Jady Young shot an 89, Ethan Jenkins a 109, Chance Mabe a 112, and Justin Washer a 121.

They were 90 strokes behind Cookeville which won the district. The White County girls won their part of the tournament.
