**Wednesday, January 3, 2017**

Staying focused on what you want to accomplish will be necessary this year. A tendency to veer off track due to distractions or unexpected interference must not be allowed to dominate. Change can be good, but only if it's carefully considered and precisely executed.

CAPRICORN (Dec. 22-Jan. 19) -- Emotions will push you in a direction that could lead to uncertainty. Consider the consequences should things not go as planned. Taking a risk will leave you in a vulnerable position.

AQUARIUS (Jan. 20-Feb. 19) -- Look for professional alternatives that will encourage a better use of your experience and allow you to learn something new. An ambitious attitude will bring good results.

PISCES (Feb. 20-March 20) -- Assess your financial situation and consider your job prospects. Having a plan will help you stay on track as the year unfolds. Offering favors will boost your popularity.

ARIES (March 21-April 19) -- Hold on to your money, job and stability by doing what's expected of you and carrying out your own plans. Intelligence and common sense will be required.

TAURUS (April 20-May 20) -- Be careful how you handle domestic matters. Someone may not see things the same way you do. Be willing to compromise and to listen to wise advice.

GEMINI (May 21-June 20) -- Concentrate on your relationships with others and determine who you are best off spending time with. Stick to people who are a positive influence on you emotionally, financially and physically.

CANCER (June 21-July 22) -- Be careful not to go overboard. You can have fun and be moderate at the same time. Emotional incidents will surface if you are too aggressive or inconsistent.

LEO (July 23-Aug. 22) -- Distress will kick in if you let someone take advantage of you emotionally. Avoid being indulgent or overspending on items you don't need. Moderation and patience will be required.

VIRGO (Aug. 23-Sept. 22) -- Don't overdo it. Added stress will set in if you make promises you don't want to keep. Consider the best way to make the most of your time.

LIBRA (Sept. 23-Oct. 23) -- Emotions can make people do foolish things. Don't make a hasty decision, or you will end up having regrets. This is not the time to burn bridges or start a feud.

SCORPIO (Oct. 24-Nov. 22) -- Take a step back to avoid getting into an emotional feud. Too much of anything will come back to bite you. Keep your life simple, affordable and moderate.

SAGITTARIUS (Nov. 23-Dec. 21) -- Taking care of other people's business will be draining. Don't make promises you cannot keep or get involved in something you aren't fully capable of handling. Honesty is the best policy.

**Thursday, January 4, 2017**

Keep an open mind, but don't let temptation take the reins. Too much of anything will lead to regret. Control and discipline will be your best friends and should be initiated at the first sign of any situation getting out of hand. Spend less, save more and ease stress.

CAPRICORN (Dec. 22-Jan. 19) -- An unusual opportunity will grab your attention. Be sure that the information you are given is accurate before you get involved in a venture that could disrupt your personal or professional objectives.

AQUARIUS (Jan. 20-Feb. 19) -- Partnerships may need to be realigned to fit the changing circumstances you face at home or work. Use intelligence and common sense to come up with a workable solution.

PISCES (Feb. 20-March 20) -- Put your heart and soul into getting ahead. A positive change will take place if you are ambitious, helpful and adaptable. Pitch in and help for financial gain to be yours.

ARIES (March 21-April 19) -- A change in lifestyle is apparent. Embrace whatever comes your way and make up for whatever setback or loss you encounter. Getting along with others will help the process.

TAURUS (April 20-May 20) -- A change to your personal finances or a pending legal, health or contractual matter must be handled with intelligence. Exercise moderation and take baby steps when decisions and changes need to be made.

GEMINI (May 21-June 20) -- Build a solid home base. The people you live with or spend the most time with should have similar interests and something to offer. Don't be tempted by people mired in bad habits.

CANCER (June 21-July 22) -- If you want to pitch in and help a cause, do so, but not at a price that would be too high emotionally, financially or physically. Only offer what's reasonable.

LEO (July 23-Aug. 22) -- You'll have some great ideas. Don't let anyone come between you and your dreams. Plan your actions and execute them with intelligence. Now's the time to make a positive change.

VIRGO (Aug. 23-Sept. 22) -- Walk away from anyone using emotional tactics to get you to do or purchase something questionable. It's in your best interest to downplay your personal assets.

LIBRA (Sept. 23-Oct. 23) -- You'll come up with great suggestions, giving you the chance to impress someone you'd like to collaborate with in the future. Speak up and make changes that will improve your life.

SCORPIO (Oct. 24-Nov. 22) -- Personal problems will surface if you are insensitive or take someone for granted. Nurture an important relationship before you are accused of neglect. Be willing to discuss emotional problems.

SAGITTARIUS (Nov. 23-Dec. 21) -- Do research, educate yourself and look at all the angles before you engage in something that will require your undivided attention. Back away if you feel the least bit uncertain.
