HOROSCOPES

Astrograph by Eugenia Last

Sunday, January 7, 2017

Don't take care of everyone else before taking care of yourself. Emotions will be difficult to control, leaving you in a vulnerable position. Say no when necessary and take a break when needed. You'll be left to deal with other people's affairs. Only do what you can.

CAPRICORN (Dec. 22-Jan. 19) -- Don't give in to persuasion or emotional tactics. You can only do so much without damaging your mental, physical and financial health.

AQUARIUS (Jan. 20-Feb. 19) -- Being a good listener will help you get a better handle on what's required or expected of you to improve a stressful situation. Be open to suggestions.

PISCES (Feb. 20-March 20) -- Be willing to listen to sage advice from someone older or more experienced. Home and personal improvements are encouraged. Review pending financial, medical and legal matters.

ARIES (March 21-April 19) -- Don't limit what you can do. Look for alternative ways to combat any obstacle you face. Intelligence will win in the end. Think, strategize and come up with a game plan.

TAURUS (April 20-May 20) -- Share your interests with someone special. Stick to a set budget to avoid feeling stressed out at the end of the day. A gathering with friends or relatives will be informative.

GEMINI (May 21-June 20) -- Refuse to let anyone stand in your way. Consider the source of any suggestions offered to you. Be kind, but don't give in to emotional manipulation. Use intelligence to fight back.

CANCER (June 21-July 22) -- Be careful not to sign up for too much. Temper your emotions and listen to the advice given to you. Taking what's done or said the wrong way will cause uncertainty and confusion.

LEO (July 23-Aug. 22) -- Look inward and question your motives and even your goals. Focusing on personal growth while taking a closer look at what is and isn't possible will help determine your next move.

VIRGO (Aug. 23-Sept. 22) -- Don't overspend on home improvements. Get additional quotes if you don't like the estimate that someone gives you. Take control of your finances and live within your means.

LIBRA (Sept. 23-Oct. 23) -- Make changes at home that will suit your needs and help you achieve your dreams. Preparation and organization will help you overcome any obstacles that stand in your way.

SCORPIO (Oct. 24-Nov. 22) -- Participate in events that will improve your environment or help a cause you believe in. Your intuitive input will make a difference and change the way you help others in the future.

SAGITTARIUS (Nov. 23-Dec. 21) -- Give your professional and financial progress a close look. Consider if you are doing what makes you happy or if advancement is possible. Assess your affairs and make changes.

Monday, January 8, 2017

Trust logic and reason over emotion this year. You must base your decisions and choices on facts, not assumptions. Don't play it by ear and hope for the best. Be ready to accept the inevitable and set up barriers to protect what's rightfully yours. Be on guard.

CAPRICORN (Dec. 22-Jan. 19) -- Listen and learn, but don't make a move. Stick close to home and avoid anyone who tends to be inconsistent or difficult to handle. Look for unusual ways to make improvements.

AQUARIUS (Jan. 20-Feb. 19) -- Make your financial decisions based on your disposable income. The idea is to lessen your stress, not add to it. Act and react intelligently, regardless of temptation. Live within your means.

PISCES (Feb. 20-March 20) -- Look for good investments. Observe what others are doing to get ahead and consider the best way to apply successful methods to your circumstances.

ARIES (March 21-April 19) -- Take a moment to re-evaluate whatever is going on in your life before you decide to take action or make changes. A hasty response will leave you in a vulnerable position.

TAURUS (April 20-May 20) -- Live life and learn from experience. Taking short trips, holding conversations and soul-searching will encourage you to make positive changes to the way you think and do things. Romance is highlighted.

GEMINI (May 21-June 20) -- Rely on your charm to get you through the day without conflict. A positive change in a close relationship will be dependent on your words and gestures.

CANCER (June 21-July 22) -- Refrain from letting your emotions take the reins. You'll only make matters worse if you complain or criticize. Don't make changes without getting consent from the people affected by your choices.

LEO (July 23-Aug. 22) -- Change may be calling out to you, but gauge how much it will cost and consider the possible consequences should you not enforce moderation. Proceed with caution.

VIRGO (Aug. 23-Sept. 22) -- Don't let the changes going on around you disrupt your plans. Your steadiness will be respected, and the support you are given will help you complete whatever you start.

LIBRA (Sept. 23-Oct. 23) -- Don't let your emotions overrule what needs to be done. Act appropriately in light of what's transpired, and let the facts guide you to make the best choice.

SCORPIO (Oct. 24-Nov. 22) -- You'll have plenty of energy, so don't sit idle. A short jaunt, a get-together with friends or relatives or an energetic activity that challenges you physically is favored.

SAGITTARIUS (Nov. 23-Dec. 21) -- You can outmaneuver anyone if you control your emotions. Rely on your speed and accuracy to help you avoid interference. Someone is likely to divulge information that could damage your reputation.

Tuesday, January 9, 2017

It's OK to choose to do things differently or change your mind in favor of something more appealing. As long as you maintain honesty and integrity, you can smudge the lines as you go. What you should avoid, however, is inconsistency and overreacting.

CAPRICORN (Dec. 22-Jan. 19) -- Avoid unpredictable situations or people who are trying to tempt you to change your mind or course of action. Stand behind your beliefs and do what's honorable.

AQUARIUS (Jan. 20-Feb. 19) -- Check out all your options and call in favors if it will help you reach your target. Don't offer personal information to anyone using emotional tactics or displaying insincere gestures of friendliness.

PISCES (Feb. 20-March 20) -- Care should be taken when dealing with people or an organization asking for something. Don't be too quick to donate money or take on added responsibilities. Save for an unexpected expense.

ARIES (March 21-April 19) -- Relationship problems will erupt if you get into a verbal battle. Choose a thoughtful and compassionate way to deal with a situation that develops between you and a loved one.

TAURUS (April 20-May 20) -- An unusual offer will leave you questioning what to do next. Financial gain is apparent, and contractual negotiations are favored. A change of location or lifestyle is encouraged.

GEMINI (May 21-June 20) -- Look for any opportunity to advance at work, and do your best to take care of overdue responsibilities so that you can feel free to take advantage of what's being offered.

CANCER (June 21-July 22) -- Make amends with someone you don't always get along with, but love regardless. A unique concept will encourage you to update your beliefs and opinions. Romance is in the stars.

LEO (July 23-Aug. 22) -- Problems will escalate if you let your emotions lead the way. It's best to rely on your intelligence and bring about positive change based on facts and figures, not on assumptions and hearsay.

VIRGO (Aug. 23-Sept. 22) -- Taking business trips, dealing with friends and relatives or researching topics that will help you advance will make your day productive. You'll discover what really matters to you. Romance is highlighted.

LIBRA (Sept. 23-Oct. 23) -- Keep an open mind when dealing with domestic issues and loved ones. It's best to keep the peace instead of burning bridges. Consider that you may be just as much at fault as others.

SCORPIO (Oct. 24-Nov. 22) -- Don't flinch just because someone does something unexpected. Hold your ground and don't give in to peer pressure or outside influences. Make intelligent choices that suit your needs.

SAGITTARIUS (Nov. 23-Dec. 21) -- Helping the underdog or standing up for rights being threatened by bureaucracy could lead to trouble. Protect against insult and injury. Use your intelligence instead of brawn to overcome difficulties.
