I love New Year's Eve parties. This is great! I'm having a blast! I need another glass of champagne!
Here you go, then.
She wasn't saying much earlier, but look at her now!
WITH EACH GLASS OF CHAMPAGNE, THE PARTY GUEST WAS BECOMING ---
Now arrange the circled letters to form the surprise answer, as suggested by the above cartoon.

Being level-headed and conscious of what is going on around you will help you prevent anyone from taking advantage of you. Walk away from unstable people, situations and proposals. Aim to solidify your personal and professional position and reputation. If you do what's right, opportunities will come your way.

CAPRICORN (Dec. 22-Jan. 19) -- Take an innovative approach to old ideas to come up with a winning combination that will help you resolve past issues and conquer new quests. Romance is highlighted.

AQUARIUS (Jan. 20-Feb. 19) -- Go somewhere that you find peaceful. Evaluate your current lifestyle and consider how best to make improvements. Health and happiness should be your priorities.

PISCES (Feb. 20-March 20) -- A realistic view of what's going on around you will help you avoid uncertainty or bad choices. Someone will tempt you using false information. Show discipline and say no.

ARIES (March 21-April 19) -- A little extra cash appears to be heading in your direction. Invest in something that will improve your life. A promise or commitment to someone you love is favored.

TAURUS (April 20-May 20) -- An insincere gesture should be handled cautiously. Don't feel obligated to pay for someone else's mistake or misfortune. Offer suggestions and hands-on help, but not a cash donation.

GEMINI (May 21-June 20) -- Keep your emotions in check when dealing with professional matters or situations that concern people you must deal with daily. Don't offer false hope or believe everything you hear.

CANCER (June 21-July 22) -- Follow through if you make a promise. Ask questions if you feel someone isn't being completely up-front with you. Being frank will help you avoid distress. Partnerships are favored.

LEO (July 23-Aug. 22) -- Be realistic and willing to work hard to keep the peace and live within your means. Don't share personal information or lend or borrow money or possessions. Resist temptation.

VIRGO (Aug. 23-Sept. 22) -- Listen to complaints carefully. You'll discover something about someone that will help you make the changes you know you should be putting into play. Personal improvement is favored.

LIBRA (Sept. 23-Oct. 23) -- Don't let anyone confuse you or make decisions for you. It's important to take better care of your health and to base the choices you make on what's best for you in the long term.

SCORPIO (Oct. 24-Nov. 22) -- Speak up, share your feelings and make suggestions that will bring about a lifestyle change that you've wanted to make for some time. Embrace the future. Romance is highlighted.

SAGITTARIUS (Nov. 23-Dec. 21) -- You'll tend to be emotional today, making you an easy target for someone who wants to take advantage of you. Be on guard and don't offer any information that might incriminate you.
