Katie, the designated matron of honor, planned the wedding with Thorne's help. Ridge told Steffy he and Brooke hoped Steffy and Liam would attend the wedding together. Wyatt had an awkward first meeting with Hope for the first time since her return to the city, and they realized they have a lot to talk about. Sally took Liam some baked goods to comfort him and wound up confessing how she feels about him. Steffy was angry at herself for putting her marriage in jeopardy, but Ridge repeated his conviction that Bill was entirely to blame. Steffy went to Liam and asked whether he could bring himself to attend the wedding with her.
