HOROSCOPES

Astrograph by Eugenia Last

Where there is a will, there is a way. An energetic approach to whatever you
pursue will help you bring about positive change. Use your intelligence and
your innovative ideas to pave the way to a brighter future. Love comes from
within, not from your wallet.

AQUARIUS (Jan. 20-Feb. 19) -- Consider how you are using your skills to
bring in cash, and look for new and diverse ways to put your talents to good
use. A change will do you good.

PISCES (Feb. 20-March 20) -- You'll end up in a compromising position if
you choose to go to battle. Make sure you have your facts straight and that
you are willing to lose if you end up in a no-win situation.

ARIES (March 21-April 19) -- Helping others will lead to rewards. You cannot
be faulted if you do your best and are honest about your feelings. Walk away
from petty arguments.

TAURUS (April 20-May 20) -- Don't donate money to a cause if you don't
have the funds. Offer your time, but don't let anyone take you for granted. It's
admirable to want to help, but make it clear what you can do.

GEMINI (May 21-June 20) -- Partnerships will make a difference to your
future. Whether a personal or professional connection, the discussions you
have and the promises you make will help you excel.

CANCER (June 21-July 22) -- Emotional deception will throw you off guard.
Don't let a disagreement lead to an argument. Instead, state facts, listen to
the other side's viewpoint and find common ground.

LEO (July 23-Aug. 22) -- Love, romance and personal improvements are
highlighted. Make arrangements with someone special that will give you the
opportunity to discuss plans. Invest more time and money in your future.

VIRGO (Aug. 23-Sept. 22) -- Don't get angry when you should be looking
for solutions. Question what's transpired and be willing to admit to anything
you may have misunderstood. Keep the peace.

LIBRA (Sept. 23-Oct. 23) -- A short trip with someone you love will bring you
closer together. Personal changes will make you feel good about the way
you look and what you have to offer.

SCORPIO (Oct. 24-Nov. 22) -- What you want to do will not sit well with
someone you live with or love. Find a compromise or offer an incentive that
will allow you to explore your pursuits.

SAGITTARIUS (Nov. 23-Dec. 21) -- Emotions will fester if you don't channel
your energy into something physical. Don't take risks, but do take on a
challenge that will tire you out.

CAPRICORN (Dec. 22-Jan. 19) -- Someone will take advantage of you if
you are too forgiving or helpful. Ask questions and determine if you are
dealing with someone who is merely lazy or actually in dire need of assis-
tance.

Saturday, February 10, 2018

Good fortune is heading your way. It's time to make positive personal and
professional changes. Look at your options and consider the best way to
move forward. Mental and physical alterations and updates will enhance
your resume and help you promote your assets.

AQUARIUS (Jan. 20-Feb. 19) -- Make changes based on reality. Do your
due diligence and know exactly what you are capable of handling. Get
promises in writing to ensure that you are going to get what you ask for.

PISCES (Feb. 20-March 20) -- Charm shouldn't be the deciding factor
when someone tries to push you into doing something questionable. Make
a counteroffer, stick to high standards and be prepared to walk away, if
necessary.

ARIES (March 21-April 19) -- A trip, reunion or personal change will do you
good. Attending a retreat or searching for inner truth and verification of
your beliefs will encourage you to make positive revisions.

TAURUS (April 20-May 20) -- A financial gain or gift is heading your way.
An improvement you wanted to make to your life, domestic environment or
community will lead to a new opportunity.

GEMINI (May 21-June 20) -- Personal gains should be your focus. Spend
time updating your look, nurturing an important relationship or setting time
aside to rejuvenate. Romance is encouraged.

CANCER (June 21-July 22) -- Being tempted by change will not be in your
best interest. Think matters through and consider the motive behind your
desire for something new. You'll find comfort in familiarity.

LEO (July 23-Aug. 22) -- Personal improvements will make you feel good
about your appearance. A little charm will entice someone special to get
involved in something you enjoy doing. A short trip looks inviting.

VIRGO (Aug. 23-Sept. 22) -- Make positive changes at home. Work along-
side those you live with to ensure that no one feels left out or becomes
disgruntled by the decisions you make. Be open to suggestions and com-
promises.

LIBRA (Sept. 23-Oct. 23) -- Don't be daunted by what someone else says
or does. Follow your heart and use your intelligence to help you find your
way. Accept the inevitable and forge ahead.

SCORPIO (Oct. 24-Nov. 22) -- Find a way to incorporate the old with the
new if you want to come up with something that will appease your oppo-
nents and excite your supporters.

SAGITTARIUS (Nov. 23-Dec. 21) -- Your charm and persuasive ability will
lead to greater popularity. Love and romance are featured, and a change
in your status or direction looks promising.

CAPRICORN (Dec. 22-Jan. 19) -- Keep your distance from individuals who
appear to be unstable or unpredictable. Refuse to let anyone use emotion-
al manipulation to coax you into doing something you are best off avoiding.
