HOROSCOPES

Astrograph by Eugenia Last

Sunday, February 4, 2018

You'll have plenty of charm and your popularity will grow this year, but that doesn't mean you should be frivolous and carefree when it comes to spending and indulging. An intellectual approach to legal, financial and medical matters will ensure that you make gains instead of suffering losses.

AQUARIUS (Jan. 20-Feb. 19) -- A partnership needs to be built on solid ground. If you or someone else is uncertain, it's probably best to walk away. A secret endeavor will turn into a fiasco.

PISCES (Feb. 20-March 20) -- Help is on the way, but before you accept it, find out what's expected of you in return. Don't let anger or stubbornness stand between you and the achievement of a personal goal.

ARIES (March 21-April 19) -- Get together with old friends. You'll be offered information that can help you make a decision regarding your future. Celebrate your plans with a loved one.

TAURUS (April 20-May 20) -- You'll be mystified by someone's charm. Take a step back and focus on the facts, not on the promises being made. Control your emotions and keep your money locked up.

GEMINI (May 21-June 20) -- Your ability to manipulate situations will come in handy. Don't give others a chance to dissect what you say. Rely on others' gullibility to help you outmaneuver rivals and spin things in your favor.

CANCER (June 21-July 22) -- You'll have trouble making a choice when it comes to financial, medical or legal matters. Try not to let your emotions or someone else's opinions interfere with what's best for you.

LEO (July 23-Aug. 22) -- If you cultivate a good rapport with a loved one, you will be able to turn your intentions into a reality. Romance should be a priority as you make long-range plans.

VIRGO (Aug. 23-Sept. 22) -- Check out the online job market and you'll find something of interest. A change looks promising if you have the qualifications and experience for a position that offers more pay.

LIBRA (Sept. 23-Oct. 23) -- Share your time and passions with someone close to you. Whether you spend time with children or a loved one, make the most of your day by offering your undivided attention, affection and loyalty.

SCORPIO (Oct. 24-Nov. 22) -- The past will come back to haunt you if you have left relationships, situations or goals unfinished. Revisit where you left off and tidy up loose ends.

SAGITTARIUS (Nov. 23-Dec. 21) -- Use your intelligence and strength to get what you want. Do your own thing to gain respect and recognition. Romance will improve your personal life.

CAPRICORN (Dec. 22-Jan. 19) -- Don't let temptation get the better of you. Say no to anyone who is pushing something without giving you the facts and figures or the low-down on what's expected of you in return.

Monday, February 5, 2018

Keep life simple and your dreams practical. Live within your means and make the most of what you have. Make positive changes that will lead to less stress and greater freedom to follow your heart and live in the moment. Personal improvements will lead to big returns.

AQUARIUS (Jan. 20-Feb. 19) -- Express your gratitude for what you have and show interest in what others have to offer. Getting along well with others will result in peace, love and happiness.

PISCES (Feb. 20-March 20) -- Keep busy and engage in activities that will stimulate your mind and make you question who you are and what you want to achieve. Strive for personal perfection.

ARIES (March 21-April 19) -- Make changes if you don't like the way things are going. Dig in and do something that will help you feel good about who you are and what you have to offer.

TAURUS (April 20-May 20) -- Changes made without your consent should not be taken personally. Don't make a fuss. Set your sights on personal goals, and head in a direction that suits you best.

GEMINI (May 21-June 20) -- Size up your situation and forge ahead. Change what isn't working for you and expand your interests to include moneymaking projects. Romance, personal gains and an updated look are all feasible.

CANCER (June 21-July 22) -- Look past other people's flaws and spend more time working on yours. A chance to make a difference should be pursued with gusto. Avoid making criticisms.

LEO (July 23-Aug. 22) -- Positive changes at home will bring you closer to the people you love and enjoy spending time with. Sticking to a budget will help you avoid worry and opposition.

VIRGO (Aug. 23-Sept. 22) -- Learn from experience when dealing with your peers. Share only what's necessary, or you could leave yourself open to ridicule. Being a good listener will give you the upper hand.

LIBRA (Sept. 23-Oct. 23) -- Stop procrastinating. If you want change to happen, you need to do something about it. You have the intelligence and wherewithal to turn your dreams into reality. Romance and personal change are highlighted.

SCORPIO (Oct. 24-Nov. 22) -- Don't get entangled in someone else's melodrama. Do your own thing and explore new possibilities. Be disciplined when faced with temptation, and be understanding when loved ones make mistakes.

SAGITTARIUS (Nov. 23-Dec. 21) -- You'll be energetic and eager to make changes. Before you get started, make sure the information you've been given is accurate.

CAPRICORN (Dec. 22-Jan. 19) -- Don't get down when you should get moving. Refuse to let the actions of others interfere with your plans. Stay focused on whatever will help you reach your destination. Aim for perfection.

Tuesday, February 6, 2018

Simplicity is the key to a better life. Less clutter, expense and confusion in your life will help you figure out the best way to move forward and how best to spend your time. Aim for better days ahead and leave uncertainty and bad habits behind.

AQUARIUS (Jan. 20-Feb. 19) -- Sort through all your stuff and pass along what you no longer use. What you offer will be appreciated, while helping others will leave you feeling good.

PISCES (Feb. 20-March 20) -- A passionate approach to life, love and emotional situations will encourage you to become a better person. Be willing to give as much as you receive.

ARIES (March 21-April 19) -- Don't expect everyone to agree with you. It's time to please yourself without feeling the need to have approval from individuals who are negative and critical.

TAURUS (April 20-May 20) -- Your emotions will be unstable. Keep your thoughts to yourself until you have had a chance to fully understand what's happening and the results your response might fetch.

GEMINI (May 21-June 20) -- Do whatever it takes to get along with your peers and the powers-that-be. Putting in extra effort will prove to be valuable when it comes to advancement.

CANCER (June 21-July 22) -- Let your creative imagination take charge to come up with a great plan. Don't worry about those who oppose you. Work with people who can help make your dreams come true.

LEO (July 23-Aug. 22) -- Arguments will break out if you aren't willing to compromise or if you must deal with difficult individuals. Keep the peace, but protect your assets, possessions and emotional well-being.

VIRGO (Aug. 23-Sept. 22) -- Be aware of what's happening, but don't let temptation take the reins if someone is pressuring you. Size up whatever situation you face and do your own thing.

LIBRA (Sept. 23-Oct. 23) -- Old habits are hard to break. Regarding money matters, you must restrict your spending. Being overly generous will not help you get ahead. Excessive behavior should be prohibited.

SCORPIO (Oct. 24-Nov. 22) -- Refuse to let anyone get the better of you. When it comes to money, legal or health issues, take charge and protect your rights. Don't allow anyone to make choices for you.

SAGITTARIUS (Nov. 23-Dec. 21) -- Helping others can be rewarding, but not if you are being used in the process. Size up your current situation and only offer what's fair. An aggressive approach to saving money is encouraged.

CAPRICORN (Dec. 22-Jan. 19) -- Share your thoughts and feelings, but don't feel the need to follow what someone else is doing. Stick to the rules and guidelines you set, and move forward diligently.
