

BOYD SENIOR NIGHT

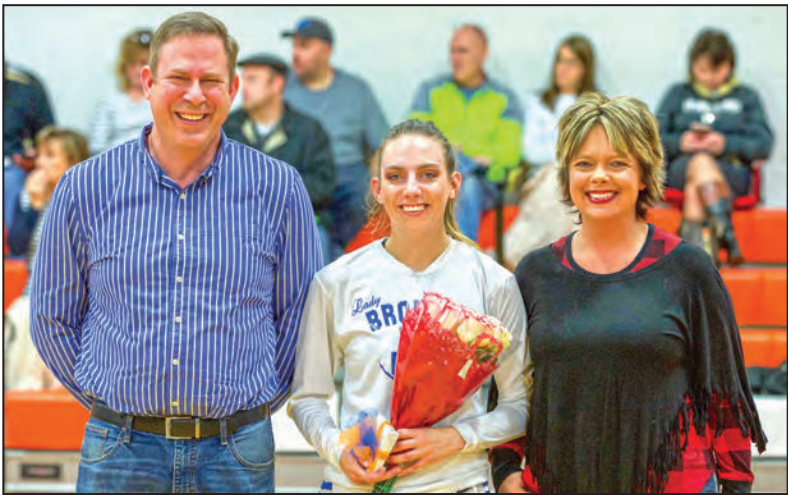

JACOB DODD PHOTOS

COACH BRENT WARREN  
SHARED HIS THOUGHTS  
ON HIS THREE SENIORS:

**SAVANNAH ENGLISH**  
She has only been with us one year. She joined the team this last summer. Savannah is one of those players you love to have on your team. She is very scrappy and gives everything she's got 100 percent of the time. She hustles more than anyone on the team. We are going to miss her next year.

**MORGAN YOUNG**  
Morgan has played for me for four years. This young lady is the picture of a team player. She is our captain this year and has done whatever it took to help her team. She was hurt for over a quarter of the season. So, she has not gotten to play much lately. We have really missed her leadership on the floor. She is just one of those kids that you hate to see graduate because of her attitude and team mentality. But, I am so proud of her and can't wait to see her start the next chapter of her life.

**ELLIANA MORALES**  
I have coached her for two years. She is a very aggressive player. She did not play last year due to concentrating on volleyball. She has come in games this year and given us a lift when we needed it. She always has a great attitude and is a team player. I know she is going to go on to do great things in life.

SENIOR NIGHT

**COACH JAMIE BROCK ADDED HIS THOUGHTS ON HIS THREE SENIORS:**  
This group of seniors had a tough situation to deal with. Only one has played all four years of high school, so they lacked experience working together. They also had new coaches and a young team. They are a talented trio, however, and all have a love of basketball. Jayden Reno has been our leading scorer, but Tyler Pomaes has contributed greatly with scoring and has been especially strong with passing and assists. Josh Argo has also put points on the board and been very effective under the goal and rebounding. They have worked hard and have improved individually and as a team. We still have a few games to go as well as two tournaments, but thus far I am proud of the progress we have made and am excited to see how we finish the season. I know these guys and their teammates are up for the challenge.
