Region tournament

Continued from page 1B

Being whole and playing their best basketball at tournament time was something Sullens has stressed all season.

"We have prepared for these games all season. We wanted to make region and go into it playing our best," said Sullens. "We will have to play our best to beat Walker Valley on their floor."

The Lady Pioneers will need a Herculean effort to advance against one the state's best teams.

Bradley Central is 28-0, ranked No. 2 in the state and has won 60 of its last 61 games. The Bearettes were dominant in their most recent outing, downing East Hamilton 73-41 in the District 5AAA championship game. It was the eighth straight year Bradley Central won its district.

No. 31 ranked player in the Class of 2018 had 41 points in the district championship game and is firing on all cylinders.

Coach Shea Panther is aware of the challenges of facing Bradley Central and its star.

"They won their district pretty handily. We will have to put together four quarters to hang with Bradley Central," said Panther.

The Lady Pioneers aren't backing down from the challenge though.

"This is great for our program to learn how to win and win at all costs. Playing in the region shows the girls there is basketball outside our district and you have to bring it each night," said Panther.

Both games this weekend are set to start at 6 p.m. Central.

Titans lock up Succop

**NASHVILLE (AP)** — Tennessee Titans kicker Ryan Succop has agreed to terms on a multiyear contract extension.

Succop scored a career-high 136 points in 2017 to tie Al Del Greco's 1998 franchise record. His 35 field goals and 42 field-goal attempts were both career highs. He went 31 of 33 on extra-point attempts.

During the 2017 season, Succop set the NFL record for most consecutive successful field-goal attempts from inside 50 yards. His streak, which began in 2014, lasted 56 attempts to break the mark of 46 that Matt Bryant had set from 2013-15.

Succop has gone 90 of 104 on field-goal attempts in four seasons with the Titans. He spent five seasons with the Kansas City Chiefs before joining the Titans.

His 913 career points rank him 12th among all active players.
