HOROSCOPES

Astrograph by Eugenia Last

Make decisions based on the way others treat you. It's time to look out for yourself and your future. No more giving in to demands that are making you miserable. If you cannot stop the chaos, you should walk away from situations that are holding you back.
 PISCES (Feb. 20-March 20) -- Look forward with optimism. Know what you are qualified to do and do whatever it takes to make your dreams come true. It's time to put your needs first.
 ARIES (March 21-April 19) -- Emotional energy will cause frustration and anger if you don't have an outlet. Choose something physical you enjoy doing to let off steam rather than risk getting into an argument.
 TAURUS (April 20-May 20) -- Keep your thoughts to yourself and wait to see what others do and say before you step in and offer suggestions. Don't divulge personal secrets or travel too far from home.
 GEMINI (May 21-June 20) -- Love may be enticing, but don't jump into something without giving it enough thought. Once you make a promise, you'll have to keep it if you want to maintain peace.
 CANCER (June 21-July 22) -- You'll face opposition when it comes to change. If someone puts up a fuss, consider the pros and cons that come with the change you or someone close to you wants to make.
 LEO (July 23-Aug. 22) -- Focus on getting along, not on messing things up. Whether you are dealing with a friend, children, a parent or a loved one, listen and offer an incentive to get your way.
 VIRGO (Aug. 23-Sept. 22) -- Stress will mount if you make changes to your home or haggle over the price of a costly venture or item. Proceed with caution.
 LIBRA (Sept. 23-Oct. 23) -- A positive attitude will help you ward off someone's grumpy attitude. Don't take no for an answer, and make plans that will brighten someone's day. Offer love, enthusiasm and a gentle nudge.
 SCORPIO (Oct. 24-Nov. 22) -- Being pushy may bring about change, but it may also harm your relationship with someone special. Think about your actions before you say or do something you'll regret.
 SAGITTARIUS (Nov. 23-Dec. 21) -- Your insight will help when dealing with people you are close to. Make suggestions and build a foundation for a healthy and progressive lifestyle.
 CAPRICORN (Dec. 22-Jan. 19) -- Keep your emotions in check and the changes you make minimal. Don't follow someone else when you should be doing your own thing. Take care of yourself first.
 AQUARIUS (Jan. 20-Feb. 19) -- Think big, but keep what you actually do simple and within budget. Focus on what's worth the effort and avoid what isn't. A romantic evening is encouraged.

Monday, March 19, 2018

Use your assets and capabilities to get ahead. Employ your skills to make a difference to the people and causes that mean something to you. What you do now will play a big part in your future. Don't settle for less when you can have so much more.
 PISCES (Feb. 20-March 20) -- Revisit old dreams and make a point to reconnect with people you miss but somehow lost touch with. Learn from your past and restructure the way you move forward.
 ARIES (March 21-April 19) -- Take on responsibilities and show everyone what you are capable of. Don't limit what you can do just because someone is being unreasonable. Know your target and stay focused.
 TAURUS (April 20-May 20) -- Knowledge is a powerful tool that will give you the edge you need when faced with competition. Keep the facts in mind and your ideas a secret.
 GEMINI (May 21-June 20) -- Take advantage of a situation that will help you do things a little differently or allow you to learn something new. Do the work and you'll reap the rewards.
 CANCER (June 21-July 22) -- Taking on a job that doesn't offer remuneration will turn into a burden as well as lead to a loss of respect. Offer your services, but insist on something in return.
 LEO (July 23-Aug. 22) -- You can rise to the top. Make positive changes that will encourage more opportunities. A change to the way you earn your living or handle your money looks promising.
 VIRGO (Aug. 23-Sept. 22) -- Only participate in functions that won't financially or physically jeopardize you. Overdoing it to prove a point will backfire, leaving you at a loss. Common sense and practicality are encouraged.
 LIBRA (Sept. 23-Oct. 23) -- A change to the way you handle your money will be necessary. Debt needs to be cleared before you start spending money. Talk to an adviser or put a budget into effect.
 SCORPIO (Oct. 24-Nov. 22) -- Dig in and get things done. What you accomplish will help you figure out what you want to do next and how you can use your creativity to get ahead.
 SAGITTARIUS (Nov. 23-Dec. 21) -- You'll never have the approval of everyone around you, so stop waiting and start following your heart and gut feelings. Trust in yourself, not in what others do or say.
 CAPRICORN (Dec. 22-Jan. 19) -- Think twice before you take over for someone who hasn't been doing a good job. You'll be left to deal with authority figures who won't care if you are just a facilitator.
 AQUARIUS (Jan. 20-Feb. 19) -- Reach out to someone who can offer you alternatives. Knowing your options will make it easier to avoid wasting time. Being realistic and having a good plan will bring about positive change.

Tuesday, March 20, 2018

The more you give, the more you'll get. Stay focused, use your energy wisely and see how far you can go. This is a year that shows promise and should bring out the goal-oriented side of your personality. Set your sights high and don't stop until you reach your destination.
 PISCES (Feb. 20-March 20) -- Stay poised and be ready to take advantage of whatever comes your way. Be energetic and enthusiastic to ensure that you get as much accomplished as possible.
 ARIES (March 21-April 19) -- Use charm, not bluster, to get what you want. If you try to manipulate a situation, someone will push back. Being friendly and open-minded will encourage others to try things your way.
 TAURUS (April 20-May 20) -- Put your emotional energy to work. Share your plans in order to drum up interest and hands-on help. A physical challenge should be met with ingenuity as well as brute force.
 GEMINI (May 21-June 20) -- Take care of your personal finances and anyone else's that you are in charge of. Staying ahead of your deadlines will help you avoid complaints and interference.
 CANCER (June 21-July 22) -- A partnership will help you find your footing. Whether in your personal or professional life, having someone to share the ups and downs will bring out the best in you.
 LEO (July 23-Aug. 22) -- Be careful how you handle emotional issues, especially if dealing with a co-worker. Don't publicize your intentions or opinion. Work on personal growth instead of trying to change someone else.
 VIRGO (Aug. 23-Sept. 22) -- You'll pick up valuable insight and information through using your skills to bring about change. What you offer others will lead to an interesting proposal.
 LIBRA (Sept. 23-Oct. 23) -- The voice of reason will haunt you if you don't make overdue lifestyle changes. Lower your overhead if possible, and discuss changes that need to be made openly.
 SCORPIO (Oct. 24-Nov. 22) -- Make a point to nurture an important partnership. Having discussions to make sure you share the same concerns with co-workers and/or family members will help you avoid setbacks.
 SAGITTARIUS (Nov. 23-Dec. 21) -- Try putting more effort into helping address the challenges that youngsters or seniors in your life are facing. Settling other people's affairs will be rewarding.
 CAPRICORN (Dec. 22-Jan. 19) -- Stick close to home to get the most done. Avoid traveling, or dealing with relatives or anyone who might take advantage of you. Aim to stabilize your life to prevent chaos from taking over.
 AQUARIUS (Jan. 20-Feb. 19) -- Do the groundwork and don't share what you are doing with anyone until you have had time to master what you are trying to accomplish. Personal change and inner growth are encouraged.
