## Blood donors urged to help Red Cross restock shelves

Though spring has officially arrived, the American Red Cross blood supply is still recovering from severe winter storms in March. Donors of all blood types are urged to roll up a sleeve and help save lives.

Winter weather in parts of the country forced more than 270 blood drives to cancel, resulting in over 9,500 uncollected blood and platelet donations in the first two weeks of March. No matter the weather, the need for blood to help cancer patients, those undergoing surgeries, trauma patients and others remains.

Volunteer blood donors from across the country are needed to help ensure lifesaving blood products are available for patients this spring. Make an

appointment to donate blood by downloading the free Red Cross Blood Donor App, visiting RedCrossBlood.org or calling 1-800-RED CROSS (1-800-733-2767).

Locally, a donation site will be the McMinnville Civic Center on Garfield Street. The date is April 11 from 1:30 – 5:30 p.m.

### HOW TO DONATE BLOOD

Simply download the American Red Cross Blood Donor App, visit RedCrossBlood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are

required at check-in. Individuals who are 17 years of age in most states (16 with parental consent where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood and platelet donors can save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, before arriving at the blood drive. To get started, follow the instructions at RedCrossBlood.org/RapidPass or use the Blood Donor App.

## BONNER FCEC NEWS

Bonner FCE Club met on March 6 in the 4-H room with seven members in attendance. Guests included Diane Grove and agent Hilda Lytle. Brenda Mitchell read from the book "Daily Guidepost." Members stood and recited the Pledge of Allegiance. Roll call was conducted by each one naming their favorite flowering tree.

Minutes from the February meeting were waived. Linda Nixon gave the financial report. County agent Hilda Lytle gave her agent report which was Eat Well/Feel Well. This topic was on Souper Nutrition. She gave us cards with ingredients to make a soup, with members assembling

a soup from the cards. She gave us a hand out "7 Steps To Great Soup" and we discussed this. She gave us a challenge to make a soup using this handout and report this at next meeting. There were no other reports or demonstrations, but Connie York and Brenda Mitchell did book reports.

We finalized our plans for the upcoming visitation day which we are in charge of. This will be on March 13 at 11 a.m. in the Magnolia Room. We also finalized our menu for the meal we are doing after the County Council meeting on March 19 at 10 a.m.

Hilda gave us a form to complete for the Best of the Best FCE that will be

returned at the County Council meeting.

Irene Fuston reported she attended the Quilting 101 workshop and enjoyed this activity. She also invited our club to come to the fundraiser breakfast at Midway on April 17 from 7 to 10 a.m. This is to raise money for Relay for Life.

Our next meeting will be on April 3 at 11 a.m. in the 4-H room. Everyone reminded to wear pink to the County Council meeting. Our members provided paper goods for the Hamilton Street Center today.

We recited the FCE Creed to close our meeting.
