Change your pace and attitude. A new image, position or goal will give you something to look forward to. What you accomplish will depend on your ability to stay within budget and use common sense. Having an organized approach will alleviate stress.
ARIES (March 21-April 19) -- Take the time to cultivate good relationships with your peers. How you deal with others will determine how much you get in return. Only promise what you know you can deliver.
TAURUS (April 20-May 20) -- Make plans with someone you love to spend time with. Doing things with children, a friend or a loved one will bring out some interesting suggestions that will change relationships.
GEMINI (May 21-June 20) -- Personal changes at home will give you a boost. Moving things around or making room for something you enjoy doing will add to your comfort. Romance is in the stars.
CANCER (June 21-July 22) -- Do your best to nourish important relationships. Listen attentively and look for joint solutions to existing problems. Matters concerning older relatives should be handled with care and compassion.
LEO (July 23-Aug. 22) -- Get along with your peers if you want to avoid being left out. Show enthusiasm and be willing to pitch in and help so that you'll be kept in the loop as changes are being considered.
VIRGO (Aug. 23-Sept. 22) -- Share your ideas to receive all sorts of suggestions that will help you coordinate your plans in a timely and affordable manner. A partnership will improve your chances of success.
LIBRA (Sept. 23-Oct. 23) -- Your desire to be loved and to keep the peace will jeopardize your success if you are constantly helping others get ahead. Make personal changes that support you and your goals.
SCORPIO (Oct. 24-Nov. 22) -- Get your thoughts and feelings out in the open. Now is the time to speak up and make changes that will improve personal and professional relationships.
SAGITTARIUS (Nov. 23-Dec. 21) -- Trusting someone unreliable will leave you in an awkward position. Don't share rumors, or you will end up being the one who is blamed. Focus on personal growth and positive change.
CAPRICORN (Dec. 22-Jan. 19) -- A change to the way you do things may come as a surprise to friends and relatives, but if it's in your best interest, you should trust your instincts.
AQUARIUS (Jan. 20-Feb. 19) -- Tell someone you love exactly how you feel. Much can be accomplished if you are forthright about what you are willing to give and what you want in return.
PISCES (Feb. 20-March 20) -- Spice up your image and the way you embrace life, work and getting along with others. Step out of your comfort zone and show off what you have to offer.

Protect personal information, passwords and anything else that may jeopardize your identity or reputation. Showing reserve and restricting access to what you have worked so hard to acquire will prove to be extremely valuable to you emotionally, mentally and financially this year.
ARIES (March 21-April 19) -- Trust only yourself when it comes to negotiations and dealing with private matters. Refuse to let anyone limit your ability to control what's important to you.
TAURUS (April 20-May 20) -- Taking a short trip, dealing with a friend or relative or getting involved in a joint venture with someone unique is favored. Taking care of an elder's personal affairs will be enlightening.
GEMINI (May 21-June 20) -- If someone wants something from you, check his or her motives before you agree. Try not to get sucked into someone else's dilemma or a manipulative plea for help.
CANCER (June 21-July 22) -- Look for alternative solutions when dealing with argumentative or compromising people. Refuse to let an outsider interfere in your personal affairs. A creative outlet will help relieve stress.
LEO (July 23-Aug. 22) -- When it comes to investments, balance will be necessary. Easy come, easy go can be expected if you aren't diligent about saving and financial prudence.
VIRGO (Aug. 23-Sept. 22) -- Check out possibilities and discuss plans with someone heading in a similar direction as you. An unusual combination of people skills will help you turn a dream into a reality.
LIBRA (Sept. 23-Oct. 23) -- Changes at home may be difficult to adjust to at first, but as time passes you will see beneficial results. Do what's best for you.
SCORPIO (Oct. 24-Nov. 22) -- Offering to help a former co-worker will lead to a new beginning and a chance to pick up where you left off. Favors will be granted.
SAGITTARIUS (Nov. 23-Dec. 21) -- Learn from your mistakes. People don't change, so don't give someone who has let you down a second chance to do so again. Concentrate on yourself and your health.
CAPRICORN (Dec. 22-Jan. 19) -- A chance to make a financial gain is apparent, but it should be devoid of risk. Deal with experts to ensure that you are following all the rules and regulations.
AQUARIUS (Jan. 20-Feb. 19) -- Emotional tactics will be used to coerce you into donating money to or helping someone who is capable but lazy. Listen carefully and question what's being asked of you.
PISCES (Feb. 20-March 20) -- It's OK to do things differently; that's what distinguishes you from others. Put your energy into something that brings you joy and could lead to long-term possibilities and rewards.
