Take a step back from situations that could affect your reputation or status this year. It's in your best interest to stay in control of your emotions and avoid making hasty decisions. Consider the consequences before taking action. Concentrate on earning others respect, not on biting the hand that feeds you. ARIES (March 21-April 19) -- Do something productive that will bring concrete results.

Avoid arguments or discussions that will leave you feeling empty. Don't poke the bear when you should be massaging important relationships. TAURUS (April 20-May 20) -- Listen to good advice. Put time and energy into physical

gains that will make you feel good about the way you look and the things you do. Romance is encouraged. GEMINI (May 21-June 20) -- Stay ahead of your competition. Go the extra mile and
