Schedule shuffling

It's hard for the Pioneers to stay hot when spring keeps zapping the area in cold spells.

The Warren County High School baseball team, winners of nine of its last 12 after starting 2-6, is having to shuffle its schedule in hopes of picking up more games this season. Monday's trip to Lebanon was canceled due to cold, while a scheduled trip to DeKalb County Wednesday has also been canceled due to a scheduling conflict.

Coach Trice Powers didn't hesitate to add some tests to his schedule in the void of two outings this week though.

The Pioneers will now go to Mt. Juliet Thursday for a 6 p.m. start against the 18-3 Golden Bears. Warren County also added a late-season trip to McCallie. Warren County will go on the road Thursday, May 3 to face the Blue Tornado, with the game also starting at 6 p.m.

Warren County also made a schedule adjustment this Saturday for its trip to Coffee County. The Red Raiders moved the game up to 11 a.m. to avoid conflicting with their prom.

Warren County is currently 11-9 this season and 7-3 in District 6AAA play, good for second place.

King got a running start through the heart of the defense, with Garcia playing a shot deep into the zone. King was the first to catch up to the bouncing ball, settling it down and spinning into an open shot. King blasted a low liner into the left corner, pushing the lead to 4-0.

The Pioneers continued to pepper the net throughout the second half, with Garcia scoring again, Picruiz netting his second goal on a penalty kick and Jorge Vasquez getting into the scoring column as well. Warren County also benefited from an own goal when Franklin North accidentally knocked one in its own net.

The resounding victory in the season finale has coach Zadeh believing his team is ready for tournament play.

"I know we are ready for the tournament. These guys are resilient and are champions," said Zadeh. "They are ready to prove it in game play. It's in their body language and dominant play."

"I'm lucky to be a part of their journey. They're ready to close the season with a strong tournament and championship."

Warren County now awaits the CTC tournament, which will be held Saturday, April 28 in Tullahoma. Seedings and game times will be provided when determined later this week.
