# Lions rolling at home

Covenant Academy looks comfortable playing on its home pitch.

The Lions got another big home victory Thursday, downing Christian Community 4-0 for their sixth victory at home.

"I thought we played really well," said coach Chris Madewell. "Offensively, we put a lot of shots on goal. We had been struggling to get shots through, so it was nice to see a lot of balls finding the net."

Terry Hines scored twice, while Grant Peterson and Emma Kate Wrather each scored once as the Lions made quick work of the Colts.

While the offense provided the fireworks, the Lion defense proved impenetrable. Jackson Smith stood tall in net, earning the praise of his coach.

"Jackson was really good in the goal. He made some big stops for us," said Madewell.

Peterson got the scoring going midway through the first half. He attacked from the left, working into a soft spot in the zone. Peterson shammed off his big leg in a small opening, hammering a shot past the Colt keeper to give his team the lead.

Hines countered Peterson's power with speed, slicing through several defenders for his first goal. The freshman rushed the defense, weaving in and out of Colts before finding himself free in front of the net. He popped a shot through, giving his team a two-goal advantage.

Hines was in the right place at the right

time just before halftime for his second goal. Off a corner kick, Hines was the nearest Lion when the ball ricocheted off a defender and in the net for a 3-0 halftime lead.

Wrather made it 4-0 midway through the second half, leading to the Lions to get playing time for the entire lineup with the big lead.

The game was preceded by a matchup of middle school teams, which ended in a 1-1 tie. Covenant got a goal from Vansh Patel, but the Colts scored late to even the score before the final whistle.
