HOROSCOPES

Astrograph by Eugenia Last

Friday, April 27, 2018

You'll face interference this year if you are too open about your plans or personal matters. Refuse to let anyone take advantage of your talents or kindness. It's important to put your goals first. A secret involvement will cause more pain than pleasure.

TAURUS (April 20-May 20) -- Be honest about the way you feel and what you want to do. If you give in to someone with questionable motives, you will end up regretting it.

GEMINI (May 21-June 20) -- Socialize, network and share your feelings and intentions. Going out with people you are close to will give you an opportunity to gather support to achieve a personal goal.

CANCER (June 21-July 22) -- Less talk, more action will be the way to go. Don't get into a scuffle with someone because he or she doesn't want to do things your way. Do your own thing and allow others the same leeway.

LEO (July 23-Aug. 22) -- Express your thoughts to gain approval and pique someone's interest in you. Love is on the rise and romance in the stars.

VIRGO (Aug. 23-Sept. 22) -- Emotions will surface over matters concerning debt or health. Proceed with caution and don't leave yourself open to theft, disease or foolish financial decisions.

LIBRA (Sept. 23-Oct. 23) -- Domestic issues will lead to fraught encounters. Keep the peace by doing your best to get along with everyone. Compromise will be necessary if you want to avoid a tiff.

SCORPIO (Oct. 24-Nov. 22) -- It isn't likely that you will agree with everyone you deal with today. Diplomacy, charm and keeping your opinions hidden for the time being will help you avoid discord.

SAGITTARIUS (Nov. 23-Dec. 21) -- Don't let the past come back to haunt you. Use your intelligence and keep your distance from people who have caused you grief or tend to argue with you.

CAPRICORN (Dec. 22-Jan. 19) -- Sharing your emotions will not help you get ahead. Don't offer insight into what you are planning to do next. Listen and observe, but don't divulge information.

AQUARIUS (Jan. 20-Feb. 19) -- Talk contracts, negotiate deals and take care of personal finances and outstanding debts. Knowing where you stand will help you find a solution and ease stress.

PISCES (Feb. 20-March 20) -- Someone will take advantage of you if you can't say no. Don't let your emotions take control. Use your intellect and make suggestions that will result in greater equality.

ARIES (March 21-April 19) -- Don't let anyone restrict you. Use your intelligence to outwit anyone trying to take credit for something you did. Fair is fair, and keeping things that way will require diplomacy.

Saturday, April 28, 2018

Be careful whom you mess with this year. If you battle with someone who could affect your position or reputation, you'll waste time that should be spent trying to get ahead. Stubbornness or emotional threats will stand between you and what you want. Don't lower your standards.

TAURUS (April 20-May 20) -- Don't reveal personal secrets or jeopardize your reputation in any way. Someone will be eager to make you look bad if given the chance. Anger will end up being costly.

GEMINI (May 21-June 20) -- Flirting is just your way of socializing. Don't be misleading, or you will face friction when someone decides to proceed in earnest.

CANCER (June 21-July 22) -- Emotional issues will escalate rapidly. Be careful how you deal with loved ones and partners. A run-in with someone will alter your plans and change the face of your weekend.

LEO (July 23-Aug. 22) -- You'll be tempted to make a change or do something that may not be approved of by people close to you. Avoid going overboard when it comes to eating, drinking or spending money.

VIRGO (Aug. 23-Sept. 22) -- Arguments will swell when dealing with relatives. You would do well to consider both sides of a situation before making a judgment.

LIBRA (Sept. 23-Oct. 23) -- You'll be anxious and unpredictable when dealing with relationships and family matters. Avoid letting your feelings for someone lead to a poor decision. Don't make spur-of-the-moment purchases.

SCORPIO (Oct. 24-Nov. 22) -- Someone you thought you could trust will reveal a secret you shared. Don't let anger take the reins. Make a note of what's transpired and refrain from disclosing personal matters.

SAGITTARIUS (Nov. 23-Dec. 21) -- You'll crave change, but go over any details that could pose a problem for you before you jump into something new. Too much too fast will lead to setbacks.

CAPRICORN (Dec. 22-Jan. 19) -- Talk can lead to trouble. If you are a good listener, you will stand a better chance of resolving issues that can influence a relationship with a friend, loved one or family member.

AQUARIUS (Jan. 20-Feb. 19) -- A commitment you make must be honored. Before you give in to someone's demands, be fully aware of what's expected of you. Negotiate on your own behalf.

PISCES (Feb. 20-March 20) -- Instability will surface if you let your emotions lead to an unrealistic assumption. There are always two sides to every story. Listen, learn and assess the situation before taking action.

ARIES (March 21-April 19) -- A partnership will need an adjustment. Discussions will get heated, but will also help you determine what to do next. Size up what's happened and take action.
