Getting along with others and being willing to compromise will be key this year. A tendency to overreact or let anger take charge will hold you back. When things don't go your way, channel your energy into something you do have control over and that can bring positive results.

TAURUS (April 20-May 20) -- Choose your battles wisely. Don't make a fuss or get involved in someone else's negativity. Keep the peace and walk away from temptation. Use intelligence and discipline to avoid a dispute.

GEMINI (May 21-June 20) -- Making home improvements, hosting an event or altering your lifestyle to suit your current economic situation will ease stress and motivate you to engage in new beginnings.

CANCER (June 21-July 22) -- Put more time and effort into the personal changes you want to make. Physical fitness, proper nutrition and aiming to look your best will encourage greater socializing with friends. Romance is highlighted.

LEO (July 23-Aug. 22) -- Avoid making your life complicated. Choose simplicity and moderation, and avoid an emotional dispute. Don't let your emotions run wild and cause you to overreact or be indulgent.

VIRGO (Aug. 23-Sept. 22) -- Don't underestimate what others might do or say. Keep your personal matters secret. Participate in activities or events that encourage learning and spending time with family or friends.

LIBRA (Sept. 23-Oct. 23) -- Don't make personal changes unless you have the go-ahead from anyone who will be affected by your actions. Good intentions alone will not make it OK to forge ahead without approval.

SCORPIO (Oct. 24-Nov. 22) -- Interact with the people around you. Plan a family gathering or neighborhood street party. Spending time getting to know others better will encourage good relationships and inspire you to try something new.

SAGITTARIUS (Nov. 23-Dec. 21) -- Put a stop to overspending. Look over your personal finances and make changes to the way you handle your money. Cutting your overhead will help reduce stress.

CAPRICORN (Dec. 22-Jan. 19) -- A change will do you good. Take a day trip, visit someone you don't often get to see or make romantic plans that will bring you closer to a loved one.

AQUARIUS (Jan. 20-Feb. 19) -- Curb your emotions and avoid trouble. If you air your opinions or make rash decisions, you will face opposition that will lead to regret. Avoid unnecessary indulgent behavior.

PISCES (Feb. 20-March 20) -- Assisting others will be satisfying. Make home improvements or physical changes that will leave you feeling good about your appearance. Romance is on the rise.

ARIES (March 21-April 19) -- Participation will take your mind off professional uncertainty that is causing you stress. Go on a shopping spree, visit a greenhouse or spend time with someone who shares your interests.

**Monday, May 21, 2018**

If you speed things up this year, you'll surpass your expectations. Focus on making changes that will encourage you to get ahead professionally and raise your standard of living. Altering where or how you live will bring you comfort and ease stress. Travel and educational pursuits are highlighted.

GEMINI (May 21-June 20) -- Your involvement in organized events, retreats or trade shows will motivate you to alter your lifestyle. Initiate change and incorporate a fitness regimen into your daily routine to ease stress.

CANCER (June 21-July 22) -- Personal changes can be made, but only if you set a budget and stick to it. Making cosmetic changes will encourage you to update your image and pursue new opportunities.

LEO (July 23-Aug. 22) -- Overreacting will hurt your reputation or cause a problem at home. Someone will unexpectedly start treating you differently. Stay calm and avoid a senseless argument.

VIRGO (Aug. 23-Sept. 22) -- An energetic presentation will capture attention, but don't mislead people. Stick to the facts and only offer what you know you can deliver. Personal gains are attainable.

LIBRA (Sept. 23-Oct. 23) -- Don't make physical changes that will slow you down, lead to complications or cause a problem with an older relative. Think matters through and make reasonable suggestions.

SCORPIO (Oct. 24-Nov. 22) -- Iron out problems before you share your plans with others. You will face opposition from someone you work with or for. A unique option will buy you time and intrigue someone with vision.

SAGITTARIUS (Nov. 23-Dec. 21) -- A change of location will inspire you to rethink the best way to move forward. Back away from anyone trying to interfere with your decisions or plans.

CAPRICORN (Dec. 22-Jan. 19) -- Look for alternative ways to cut corners and save money. Downsizing or investing in something that will lower your expenses should be considered. Share your intentions with someone who depends on you.

AQUARIUS (Jan. 20-Feb. 19) -- Pump yourself up and get energized. Get into the groove and make personal changes that will leave you feeling good about the way you look and the place you live.

PISCES (Feb. 20-March 20) -- Home and property should be your priorities. Financial gains look promising, and relying on the past to point you in the right direction will pay off. Romance is highlighted.

ARIES (March 21-April 19) -- Focus on what you can do for others and what you want in return. A flair for compromise will be what helps you excel. Go with the flow and avoid interference.

TAURUS (April 20-May 20) -- Ease into whatever you plan to do today. Problems at home will leave you wondering what to do next. Accept the inevitable and do your own thing.

**Tuesday, May 22, 2018**

Relying on wisdom and experience will serve you well this year. Look for ways to fine-tune your body, mind and quest for spiritual growth. Understanding what's possible and how to best use your skills to bring about positive change will lead to greater productivity.

GEMINI (May 21-June 20) -- Don't let your emotions come between you and someone you love, or stop you from making the personal changes necessary for a better home life.

CANCER (June 21-July 22) -- Explain yourself and show others what you want or how to do something. Reaching out and offering help will lead to greater opportunity and good alliances.

LEO (July 23-Aug. 22) -- Keep your opinions to yourself and avoid getting into a debate that could ruin your day. Concentrate on being reliable and finishing what you start. Think twice before making a rash decision.

VIRGO (Aug. 23-Sept. 22) -- If you bring about change, you will be praised for your insightful maneuvers. Working alongside others will help you maintain control. A steady pace will lead to greater stability.

LIBRA (Sept. 23-Oct. 23) -- Put more thought into where your money goes. Look over your bank statements to find a way to cut corners. Take better care of your health through good nutrition, diet and exercise.

SCORPIO (Oct. 24-Nov. 22) -- Be imaginative and make some noteworthy changes. A change to how or where you live or physical improvements you make will be beneficial.

SAGITTARIUS (Nov. 23-Dec. 21) -- Watch your step when dealing with others. Problems with in-laws, siblings or anyone who tries to control or manipulate you should be firmly dealt with right out of the gate.

CAPRICORN (Dec. 22-Jan. 19) -- Organize your day to accomplish what you set out to do. Money or a gift will come from an unusual source. Home improvements and romance are favored.

AQUARIUS (Jan. 20-Feb. 19) -- A cautious approach to change is in your best interest. If someone wants to forge ahead, don't feel the need to follow along. Do things at your own pace. Spend less and save more.

PISCES (Feb. 20-March 20) -- Express your thoughts and feelings to get the support you need to move forward. A physical improvement at home will encourage you to share with someone special.

ARIES (March 21-April 19) -- Don't let anyone limit what you can do. Listen to and acknowledge others' input, and make alternative suggestions. How you approach change will make a difference to the outcome. Diplomacy and willingness to help are encouraged.

TAURUS (April 20-May 20) -- Learn from people with more experience. Showing respect and offering praise where it's due will lead to an opportunity that can help you get ahead. Be receptive to new ideas and changes.
