

Memorial Day is not just an opening day for summer festivities and all the events that lie before us. It is a special day to give

Thanks

A personal thank you, from me, to all who have sacrificed their lives and fought, and continue to fight, for our country and those gone on before us. Also others that give their time, their special efforts and skills and their knowledge and their hard work and dedication, so that I may lie my head down at night and rest assured that no matter what my emergency needs may be, someone will be there. It's not just about our brave soldiers, it's also about our doctors, our nurses, our fire dept., our recuse squad, our city and county law enforcements and all who volunteer who don't get paid a dime, but do it out of love for their community and continue to give their all.

God Bless Everyone
