Astrograph by Eugenia Last

**Sunday, June 3, 2018**

Look for the positive in your life. Consider what makes you happy and adjust your situation to allow you more time to spend doing what you enjoy and being with the people you care about. Recognizing your attributes and putting them to good use will be satisfying and lucrative.

**GEMINI** (May 21-June 20) -- An opportunity to change the way you live your life is apparent. Attend a workshop that will open your mind to a host of new ideas.  
**CANCER** (June 21-July 22) -- Sign up for an activity that prompts you to use your skills and creative talents. Children, loved ones and friends will play a positive role in your decisions.  
**LEO** (July 23-Aug. 22) -- Divulge your true feelings. Ask questions and find out where you stand. A change based on the feedback you receive will help make your decision doable.  
**VIRGO** (Aug. 23-Sept. 22) -- If you learn all you can, you'll be armed with the answers you need to ward off someone's persuasive emotional tactics. Protect yourself against being used or taken for granted.  
**LIBRA** (Sept. 23-Oct. 23) -- Take a stand and make your point heard. Stop letting others take control or make decisions for you. Positive change will happen if you are adamant about what you want.  
**SCORPIO** (Oct. 24-Nov. 22) -- Don't let your emotions cause you to make a bad choice. Focus on stabilizing your situation, not on causing a disruption. Look for unique solutions and make your move.  
**SAGITTARIUS** (Nov. 23-Dec. 21) -- Review how you earn your living and handle your financial affairs. Get back on track and avoid anyone who tends to be a poor influence on your behavior. Avoid indulgence.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Embrace change and consider the best way to incorporate new ideas and plans into your current lifestyle. Listen to suggestions, but make your decision based on what's best for you.  
**AQUARIUS** (Jan. 20-Feb. 19) -- Channel your emotional energy into personal change. If you discuss ideas with loved ones, you will come up with a workable, cost-effective plan that is something you can all look forward to.  
**PISCES** (Feb. 20-March 20) -- Say less and do more. Reach out to someone you love by doing something that will make a difference. Being proactive will lead to a progressive and productive partnership.  
**ARIES** (March 21-April 19) -- Let your intentions be known, and follow through with action. Don't let anyone bully you or take advantage of you. Take better care of your health and home.  
**TAURUS** (April 20-May 20) -- Emotions will be difficult to control. Don't let the little things cause you grief. Be true to yourself, and don't let anyone make decisions for you. Romance is encouraged.

**Monday, June 4, 2018**

The benefits that come your way through being open to suggestions and new concepts will help make this a memorable year. Ingenuity and physical energy will lead you to the success you desire. Speak up and forge ahead with confidence, and everything else will fall into place.

**GEMINI** (May 21-June 20) -- Put more energy into taking care of whatever job or responsibility you've been handed if you want to outmaneuver the competition. Keep an open mind, but choose common sense over risk-taking.  
**CANCER** (June 21-July 22) -- Look for any opportunity to use your creative skills, assist others or bring about positive change. Listen to people and methodically respond to their concerns. Personal improvements will promote confidence and stability.  
**LEO** (July 23-Aug. 22) -- If you make a physical contribution to an organization you believe in, you will make worthwhile connections. Collaborating with others will lead to new opportunities and financial prospects.  
**VIRGO** (Aug. 23-Sept. 22) -- Take a greater interest in what's available and make changes based on current trends and new possibilities. An unusual partnership will prompt you to make a personal move.  
**LIBRA** (Sept. 23-Oct. 23) -- Travel, communication, networking and collaboration will help support your beliefs, skills and talent. Problems at home should be handled with care.  
**SCORPIO** (Oct. 24-Nov. 22) -- Count your money, look over your investments and steer clear of joint ventures. You are best off sticking to people who don't judge you and offer unique points of view.  
**SAGITTARIUS** (Nov. 23-Dec. 21) -- Concentrate on making money, not on spending it. Don't feel the need to help someone who is looking for a handout or using persuasive tactics to take advantage of you.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Personal improvements are encouraged. Pay close attention to important relationships, and take time to do something special for someone you love. A change of plans will be in your best interest.  
**AQUARIUS** (Jan. 20-Feb. 19) -- High energy can help you accomplish much, but you'll have regrets if you are too quick to bring about change. A carefully considered plan is in your best interest.  
**PISCES** (Feb. 20-March 20) -- Personal gain is within reach. Mull over your investments and make adjustments to them. Get together with someone from your past or arrange a special evening with a loved one.  
**ARIES** (March 21-April 19) -- The help you offer others will not go unnoticed. If you take pride in what you do and offer cost-efficient alternatives, you will be given something in return.  
**TAURUS** (April 20-May 20) -- Don't let uncertainty take the reins. Make a calculated move to put your plans in motion. Bold, decisive action is what's called for.

**Tuesday, June 5, 2018**

Take the initiative and make your dreams come true. Discipline, hard work and finishing what you start will set you up for greater opportunity down the road. Treat matters concerning friends and relatives with compassion, but don't take on someone else's burdens. Intelligent maneuvers will bring greater prosperity.

**GEMINI** (May 21-June 20) -- Stay focused on what you are trying to achieve. Actions and intelligence will show you mean business and that you are willing to see matters through to the end.  
**CANCER** (June 21-July 22) -- Take a unique approach to your responsibilities if you want to find new ways to use your skills and attributes. Personal improvements and educational pursuits are favored.  
**LEO** (July 23-Aug. 22) -- Don't take a risk or get involved in a dubious joint venture. Persuasive tactics will be used to try and convince you of the merits of a plan that lacks substance.  
**VIRGO** (Aug. 23-Sept. 22) -- Examine what's being offered or how something is handled before you put your reputation on the line. Play it safe and only take part in endeavors helmed by trustworthy people.  
**LIBRA** (Sept. 23-Oct. 23) -- Speak up and let others know what's on your mind. Personal problems will develop if someone puts pressure on you to do something you don't want to do.  
**SCORPIO** (Oct. 24-Nov. 22) -- Stick close to home and the people you trust. You will accomplish the most if you are diligent and embrace change using uncommon methods.  
**SAGITTARIUS** (Nov. 23-Dec. 21) -- Emotional manipulation will disrupt your day. Whether it's you or someone else using persuasive tactics, the outcome will not be satisfactory. It's best to be honest and move on.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Consider people and ideas from your past to help you move forward. Attending a reunion will bring back memories that will help you make decisions. An emotional relationship will take a unique turn.  
**AQUARIUS** (Jan. 20-Feb. 19) -- Make changes for the right reason. Don't act out of spite or because someone else prompts you to. Focus on home, family and gaining greater stability.  
**PISCES** (Feb. 20-March 20) -- Be courageous and try something new. A personal change will open a window of opportunity. Love, romance and physical improvement are highlighted. Do your own fact-finding.  
**ARIES** (March 21-April 19) -- Watch out for someone trying to lead you in the wrong direction. Take better care of your health and rely on your intelligence and resourcefulness to help you get ahead.  
**TAURUS** (April 20-May 20) -- Take control and bring about the changes that will make you feel good about yourself and the direction you are headed. Don't let someone's boldness intimidate you. Strive for perfection, honesty and success.
