Clear up unfinished business and start preparing for a new beginning and long overdue opportunities. Your readiness will determine how easy it is for you to achieve your goals. Don't let the frustrations of the past hold you back or cause you to second-guess your ability to move forward.
GEMINI (May 21-June 20) -- Take the initiative to put your plans in motion. A day trip or reunion will lead to interesting information that will help you make a personal change.
CANCER (June 21-July 22) -- If you want something, make it happen. Don't wait around for someone else to do things for you. Satisfaction comes from doing everything in your power to get what you want.
LEO (July 23-Aug. 22) -- Take your time and be observant. If you make a move too abruptly, you will miss out on something worth waiting for. Enjoy activities that stimulate you mentally and physically.
VIRGO (Aug. 23-Sept. 22) -- Take a short trip, visit a friend or relative or attend a reunion. Getting together with people from your past will be eventful and memorable. Romance is in the stars.
LIBRA (Sept. 23-Oct. 23) -- Learn as you go. If you ask questions and show interest in what others are doing, you'll come across someone or something that inspires you to make an exciting decision.
SCORPIO (Oct. 24-Nov. 22) -- Nurture a relationship with someone special. Discuss matters openly and deal with any misunderstandings that could disrupt your long-term plans. A little romance will ease stress and improve your life.
SAGITTARIUS (Nov. 23-Dec. 21) -- Confusion will set in if someone you are dealing with is inconsistent. Refuse to make a promise or commitment unless you know exactly what's expected of you.
CAPRICORN (Dec. 22-Jan. 19) -- Bring about changes at home that will please you and those who live with you. The little extras you do for others will bring high returns.
AQUARIUS (Jan. 20-Feb. 19) -- Keep busy doing activities that will ease stress, or take care of chores and responsibilities that have been weighing you down. Idle time will lead to anxiety or anger.
PISCES (Feb. 20-March 20) -- Go over the way things have unfolded for you in the past before you decide to get involved in something that didn't turn out well the first time.
ARIES (March 21-April 19) -- Offer your encouragement and support to someone who is going through a rough situation. Your thoughtfulness and assistance will result in an unusual and unexpected reward.
TAURUS (April 20-May 20) -- Show a little discipline and go over all the pros and cons of a situation before you take action. Emotions can lead to impulsiveness and poor choices if not monitored closely.

Monday, June 11, 2018
Take the initiative when it comes to family and friends. The work you put in nurturing important relationships will help you avoid losing touch. Preparation should be your priority this year. Keep documents and records up to date, and concentrate on making personal and physical improvements.
GEMINI (May 21-June 20) -- An aggressive approach when dealing with others will be taken the wrong way. Be prepared and offer solutions that are difficult to refuse. Don't let your impulsiveness take the reins.
CANCER (June 21-July 22) -- If you take every opportunity you get to help someone, you'll get something unexpected in return. A window of opportunity will soon open. Personal gain is apparent.
LEO (July 23-Aug. 22) -- Be careful how you handle others, especially in a work environment. Overreacting will bring about unwanted change and plenty of questions. Remain calm and take care of business.
VIRGO (Aug. 23-Sept. 22) -- Take advantage of every chance you get to learn something new. Bring about a change that will help secure your position or stabilize your lifestyle or an important relationship.
LIBRA (Sept. 23-Oct. 23) -- Make the first move. Stop procrastinating and speak up about your intentions and plans. Listen to people's concerns, but follow what you feel is in your best interest.
SCORPIO (Oct. 24-Nov. 22) -- Personal changes should be made. Whether you are updating your image or altering a personal relationship, the results will turn out better than anticipated.
SAGITTARIUS (Nov. 23-Dec. 21) -- Question what you hear. Go to the source if you feel unsure of a developing situation. Be willing to talk matters through until you resolve any outstanding issues.
CAPRICORN (Dec. 22-Jan. 19) -- Don't hesitate to get involved in something you find interesting or intriguing. Consider the best way to turn someone else's negative into a positive. Make choices based on experience.
AQUARIUS (Jan. 20-Feb. 19) -- Emotional matters will escalate quickly if you or someone close to you overreacts or behaves indulgently. Use your intellect to deal with matters that could affect an important relationship.
PISCES (Feb. 20-March 20) -- How you help others will make a difference. Make sure you are clear regarding what's entailed and what you will receive in return. Don't put up with lip service or evasive answers.
ARIES (March 21-April 19) -- Keep your eye on the ball when dealing with people who tend to use persuasive charm, wit and deceptive verbiage to lure you into something you should probably walk away from.
TAURUS (April 20-May 20) -- Emotions are running high and should be channeled into something beneficial. Sharing with someone you love, improving your surroundings and making physical changes are highlighted.

Tuesday, June 12, 2018
Taking control and expressing the changes you want to make and the way you want to see things unfold this year will clear a path for success. An aggressive approach will keep at bay anyone trying to hold you back. Being transparent will help ward off opposition.
GEMINI (May 21-June 20) -- Lay your cards on the table and take an optimistic, aggressive approach to life and what you want to see happen. Work-related situations will be dependent on performance.
CANCER (June 21-July 22) -- Keep personal matters and your opinion secret until you know where others stand. Opportunity will come your way if you are proactive and productive.
LEO (July 23-Aug. 22) -- Look for a window of opportunity and make your move. Keep your eye on what others do and take precautions when faced with impulsive or indulgent individuals who tend to embellish.
VIRGO (Aug. 23-Sept. 22) -- Stick to what you know and don't give in to someone using aggressive tactics to talk you into something that you feel reluctant to pursue. Consult a trusted friend before you make a big decision.
LIBRA (Sept. 23-Oct. 23) -- Communication, educational pursuits and trips pertaining to business or learning will be beneficial. Attending networking events or spending time with children, a friend or relative are favored.
SCORPIO (Oct. 24-Nov. 22) -- A unique approach to how you handle peers or relatives will help you bring about positive change. Prepare a space at home for a project you want to pursue.
SAGITTARIUS (Nov. 23-Dec. 21) -- A problem will develop if you discuss personal matters with a peer, friend or relative. Don't expect to get the response you want. Your emotions will be tampered with.
CAPRICORN (Dec. 22-Jan. 19) -- Don't make a money move or get involved in a joint venture. You are best off waiting until you find an opportunity that doesn't come with a risk factor. Romance will ease your stress.
AQUARIUS (Jan. 20-Feb. 19) -- Preparation and organization will help you bring your plans to fruition. Don't take anything or anyone for granted. Listen carefully, as a talk you have will be revealing.
PISCES (Feb. 20-March 20) -- Keep your story straight. Someone will question you if you embellish a situation to make it sound more intriguing. Truth should be a priority if you want to be taken seriously.
ARIES (March 21-April 19) -- Share your findings with someone close to you. Together, you will discover something that will help you get ahead. Don't limit possibilities by trying to do everything on your own.
TAURUS (April 20-May 20) -- Line up what you want to accomplish and get started. Refuse to let the actions of others frustrate you or stand in your way. Stay focused and be alert and ready to take action.
