Get ready to sprint. Time is of the essence, and you must live up to your promises and set realistic expectations. With the right frame of mind, you'll find it much easier to accomplish your goals. Don't let others take advantage of you.

GEMINI (May 21-June 20) -- Listen carefully to what's being asked of you before you agree. Don't let someone from your past disrupt your personal or financial interests. Joint ventures are best avoided.

CANCER (June 21-July 22) -- If you get creative and do things differently, you'll be surprised at the response you get. An open mind will help you bypass negativity. Bring joy into your life. Romance is encouraged.

LEO (July 23-Aug. 22) -- Listen and respond from the heart. Being true to yourself and your beliefs will make your life easier. Don't let clutter and past problems hold you back.

VIRGO (Aug. 23-Sept. 22) -- Look at what you can accomplish, not at what you cannot. If you focus on friends, family and finding out all you can about your heritage, it will change how you move forward.

LIBRA (Sept. 23-Oct. 23) -- You know what you must do, so stop procrastinating and start tying up loose ends. The less you leave undone, the fewer complaints you will face.

SCORPIO (Oct. 24-Nov. 22) -- Wear your heart on your sleeve and let your feelings be known. Don't fear being different or trying something new. Interact with people who can offer a unique perspective.

SAGITTARIUS (Nov. 23-Dec. 21) -- Someone will present something that sounds good, but get the lowdown and consider the consequences before you decide to get involved. Joint ventures aren't in your best interest.

CAPRICORN (Dec. 22-Jan. 19) -- Sink your teeth into something you find mentally stimulating. What you discover will help you broaden your horizons and encourage you to make serious plans.

AQUARIUS (Jan. 20-Feb. 19) -- Don't feel you must do things in a big way to get noticed. Your ability to innovate and stick to a budget will make a difference.

PISCES (Feb. 20-March 20) -- Confusion will set in when it comes to emotional matters. Set the record straight if someone gets the wrong impression. Personal improvements should be considered. Love is on the rise.

ARIES (March 21-April 19) -- Learn all you can about someone before you open up about your personal life or intentions. Don't let anyone put demands or pressure on you. Implement a healthier lifestyle.

TAURUS (April 20-May 20) -- Don't make an unnecessary change. The cost will turn out to be far greater than what your budget can handle. Avoid unpredictable or argumentative individuals. Let experience be your guide.

#### Thursday, June 14, 2018

Personal and professional goals will be disrupted. A change of scenery, environment or lifestyle will do you good. Idle time will lead to frustration and potential mistakes. Be prepared to size up situations and to act fast to keep things moving forward, regardless of what others do.

GEMINI (May 21-June 20) -- A business meeting or talk you have with a friend or relative will lead to surprising information. Get verification before you take action. Romance is highlighted.

CANCER (June 21-July 22) -- Embrace your feelings to figure out the best way to deal with personal and partnership matters. A unique change or home setup looks promising.

LEO (July 23-Aug. 22) -- The changes you want to make should be put on hold. If you act impulsively, you will get in over your head. Stick to a strict budget and avoid making physical alterations.

VIRGO (Aug. 23-Sept. 22) -- Ease into whatever you want to do and pay close attention to detail. Your patience will pay off if you wait until you are fully prepared to present what you have to offer.

LIBRA (Sept. 23-Oct. 23) -- You know what you want to see happen, but you'll have to jump through hoops to get the go-ahead. Refuse to let anyone control or pressure you.

SCORPIO (Oct. 24-Nov. 22) -- You'll be sidetracked by someone who is charismatic and pushy. Before you get in too deep, take a closer look at what's actually being offered. Empty promises are apparent.

SAGITTARIUS (Nov. 23-Dec. 21) -- Invest in your appearance and the skills and qualifications you need to reach your goals. Get firsthand information, and only do what's within your means.

CAPRICORN (Dec. 22-Jan. 19) -- Make changes at home to better suit your current work and personal situation. Discuss your plans with the people most affected by the decisions you make. Offer incentives.

AQUARIUS (Jan. 20-Feb. 19) -- Your involvement in social events or activities that include children will broaden your circle of friends. Stick to projects and events that will not damage your financial status.

PISCES (Feb. 20-March 20) -- Creative accounting will help you get your personal finances in order. Money or a gift will come from an unusual source. Focus on quality, not on quantity. Romance is in the stars.

ARIES (March 21-April 19) -- Arguments will not solve problems. If you want to find a solution, you will need to compromise. Don't give up on love, and nurture important relationships.

TAURUS (April 20-May 20) -- Extravagance can be expected. Deal with matters swiftly. Put a stop to anyone taking advantage of you, and don't try to impress someone who expects too much from you.
