# Habitat for Humanity finishing 31st house

BY LACY GARRISON  
 Reporter for the Southern Standard (McMinnville, Tennessee)

While it seems like Habitat for Humanity just celebrated its 30th home dedication, another home has recently been erected on 109 King Street.

With the help of Bridgestone, Habitat is working to finish its 31st home between Scottish

Inns and the Three Star Mall.

"This is the fourth house Bridgestone has helped us build," said Habitat board member Todd Herzog. "They did one in 2006, 2010, 2014 and now this one."

With a 12-week building plan and over 100 volunteers working from 5 a.m. till around 7 p.m., the dedication ceremony is scheduled for this Monday, July 30.

Soon-to-be homeowner Leslie Caldwell is looking forward to owning her first home and has enjoyed being a part of the building process. She said her three kids are excited too.

"Helping build it was cool because I didn't know all the things that go into putting a house together," said Caldwell. "I really feel God put the right people in my life to give me this chance."

Habitat for Humanity homes are not free. The owners are required to pay for materials at cost. The labor is donated by a coalition of volunteer groups and businesses.

According to Bridgestone plant manager Tamara Martensen, the most challenging part of this building project has been the heat.

"Last Saturday was raise-the-walls day and it was one of the hottest

"There is a lot of sweat and work that goes into it from a volunteer's perspective, but it is one of the most rewarding things that I think you can do ... to actually know you're creating a structure for a family," said Martensen.**

days of the year," said Martensen. "Putting up the walls and roof is probably the toughest labor of it, but the team we had out here was great."

Bridgestone HR manager Josh Flood said some people may be prevented from volunteering because they're worried about certain organizations or where their effort really goes, which is an understandable concern.

"The Habitat organization and the team here in Warren County is top notch," said Flood. "It is very important to them that they're giving homes to the right families and they do a lot to solicit volunteer participation to make sure everything comes together and even though we're providing the labor, there are many other organizations providing lunches and other materials."

Added Martensen, "You really don't need to know how to do any of the house building tasks to be a help and there is always something to do and you learn a lot."

## HOROSCOPES

### Astrograph by Eugenia Last

**Sunday, July 29, 2018**

Broaden your outlook but not your budget. Gather information and learn all you can. Prepare to bring about positive change and beneficial results will unfold next year. Put an end to lofty relationships that tend to cost a lot and give little in return. Set yourself up for success.

LEO (July 23-Aug. 22) -- Don't live beyond your means trying to please someone who expects too much from you. Ease your stress by altering the way you live and how you handle your money.

VIRGO (Aug. 23-Sept. 22) -- Explore new places, and what you see and who you encounter will inspire you. A change to the way you live will lead to less stress and greater happiness.

LIBRA (Sept. 23-Oct. 23) -- Put your energy to work for you and make the changes at home or to your lifestyle that are long overdue. If you want something, go after it.

SCORPIO (Oct. 24-Nov. 22) -- It's OK to do things differently, as long as it doesn't deplete your bank account. Someone who offers a different take on life will inspire you to regroup and make changes.

SAGITTARIUS (Nov. 23-Dec. 21) -- Communication will be your strong point. Negotiate on your own behalf and you will come up a winner. Pose incentives to offset competitive offers. A day trip or meeting is favored.

CAPRICORN (Dec. 22-Jan. 19) -- Watch what others say, do and offer. Don't be afraid to initiate a change if it will help you outmaneuver someone trying to upset what you are trying to achieve.

AQUARIUS (Jan. 20-Feb. 19) -- Don't give away your secrets or let someone see your vulnerable side. Walk away from anyone who is a poor influence or who is likely to cost you emotionally or financially.

PISCES (Feb. 20-March 20) -- Use your persuasive talents to get the help you need. Money or a gift will come from an unusual source. A personal relationship will change the way you move forward.

ARIES (March 21-April 19) -- Be careful who you get involved with. Offering help is admirable, but being taken advantage of is likely if you are too trusting of someone who is a smooth operator.

TAURUS (April 20-May 20) -- A day trip will do you good. Visit a trusted friend and you'll be offered good advice regarding a personal situation you face. Invest your time and money in yourself, not someone else.

GEMINI (May 21-June 20) -- You'll have plenty of good ideas, but before you take action, check regulations and fees that may deter you from moving forward too quickly. Get firsthand information.

CANCER (June 21-July 22) -- Beautify your surroundings or make physical changes that will enhance your appearance. Plan an evening out with someone special. Establish your intentions and discuss future plans.

**Monday, July 30, 2018**

Plan your actions carefully this year. Time is on your side, and paying attention to detail will help you reach your destination without having to backtrack. Don't let anyone lead you astray with lofty ideas. Use your intelligence and discipline to make the best choices possible from here on out.

LEO (July 23-Aug. 22) -- Speak up, share your plans and listen to advice, but when it comes time to make a decision, you must rely on your knowledge and experience to help you make the best choice.

VIRGO (Aug. 23-Sept. 22) -- Don't rule anything or anyone out. Positive change is within reach. Someone or something unusual will spark your interest and motivate you to try something new.

LIBRA (Sept. 23-Oct. 23) -- Pour your energy into something you believe in. Make changes at home that will make your life more comfortable, affordable or convenient. It's up to you to make things happen.

SCORPIO (Oct. 24-Nov. 22) -- Don't get railroaded into something you don't want to do. Anger will stand in the way of productivity. Concentrate on what's doable, and reject high-pressure tactics.

SAGITTARIUS (Nov. 23-Dec. 21) -- Take care of matters personally. If you trust someone else to speak or negotiate on your behalf, you will miss out on benefits you deserve. Emotional deception or manipulation is apparent.

CAPRICORN (Dec. 22-Jan. 19) -- A unique approach to the way you earn your living or handle your cash will be lucrative. Don't be afraid to try something new or get into a joint venture.

AQUARIUS (Jan. 20-Feb. 19) -- Speed things up a bit and see how much you can accomplish. Partnerships look promising. Discuss plans and find out where you stand. Distance yourself from inconsistent or erratic individuals.

PISCES (Feb. 20-March 20) -- Dream a little dream and turn your ideas into reality. A joint venture will spark your imagination and encourage you to use your skills differently. A physical improvement will lift your spirits.

ARIES (March 21-April 19) -- Take a proactive approach when helping others. Offer suggestions as well as incentives to get the support you need to get things done on schedule.

TAURUS (April 20-May 20) -- Focus inward and make changes that will help you hone your skills, add to your qualifications or update your appearance. Personal growth will improve your attitude.

GEMINI (May 21-June 20) -- Traveling, attending business meetings or resolving a pending matter with a friend or relative should be on your agenda. Now is not the time to let someone mislead or take advantage of you.

CANCER (June 21-July 22) -- Make physical changes that will help you get into shape, or adjust your attitude so you can take advantage of your cultural background, knowledge and experience.

**Tuesday, July 31, 2018**

A steady pace and an affordable plan will ease stress and promote greater opportunities. Following a simple daily routine and getting rid of what you no longer need will bring relief as you purge the dead weight in your life. Embrace new beginnings.

LEO (July 23-Aug. 22) -- Don't follow the crowd. You'll be given false information. Do your own thing and be moderate in the way you live and the amount you spend.

VIRGO (Aug. 23-Sept. 22) -- Don't hesitate if you want to make a move. A lifestyle change will affect the way you move forward personally and professionally.

LIBRA (Sept. 23-Oct. 23) -- Show what you are capable of doing. Others will notice the results you get. Pour your energy into improvements that will enhance your situation at home.

SCORPIO (Oct. 24-Nov. 22) -- Easy does it. If you are too aggressive in your pursuits, you will not have enough time to finish what you start. Focus on what's most important to you.

SAGITTARIUS (Nov. 23-Dec. 21) -- Speaking openly will attract someone eager to take advantage of you. Share only information that cannot be used against you. Emotional blackmail should be dealt with intelligently.

CAPRICORN (Dec. 22-Jan. 19) -- Focus on contractual agreements and negotiations. You can sway others to see things your way if you use unusual tactics. Incentives will help bring about positive change.

AQUARIUS (Jan. 20-Feb. 19) -- Approach partnerships with diplomacy. Have a few ideas that can be incorporated into your plans to satisfy anyone needing a nudge. Travel and educational pursuits will cost more than anticipated.

PISCES (Feb. 20-March 20) -- If you look for an opportunity, you will find one that will change your life. Heading in a positive direction will give you a new lease on life. Love and romance are highlighted.

ARIES (March 21-April 19) -- Your input will make a difference, and your actions will show others that you mean business. Much can be accomplished if you are diligent about turning your vision into something substantial.

TAURUS (April 20-May 20) -- Before you bring about change, make sure you can afford to do so. Don't allow anyone to talk you into something you don't need. Focus on self-improvements and personal goals.

GEMINI (May 21-June 20) -- An abrupt change will lead to a heated discussion if you aren't diplomatic. If you want something, use your charm and intelligence to get it.

CANCER (June 21-July 22) -- Do things your way. Show off your unique outlook and ideas. You'll intrigue someone you'd love to collaborate with or get to know better. Love is on the rise.
