**Wednesday, July 11, 2018**  
A couple of adjustments will stabilize your future and secure your position. Taking on a more creative role at work or in your personal life will broaden your perspective. Physical improvements can be made, and romance is favored.  
CANCER (June 21-July 22) -- An excursion or shopping trip will lead to some interesting ideas and purchases. Share your intentions with someone who can help you with your plans.  
LEO (July 23-Aug. 22) -- Don't feel the need to rush into something. Take the time to assess your situation and determine what it will take to get things done to your specifications and within your budget.  
VIRGO (Aug. 23-Sept. 22) -- Be the one to make the first move. Set your sights on what you want to achieve, and strive to do the best you can. Personal changes look promising.  
LIBRA (Sept. 23-Oct. 23) -- Share your concerns with someone who can help or support you when the chips are down. Having a plan in mind will help your cause.  
SCORPIO (Oct. 24-Nov. 22) -- Anger will be a waste of time. You may not agree with what someone else is doing, but using force or harsh words will not make matters better. Try reason and feasible solutions.  
SAGITTARIUS (Nov. 23-Dec. 21) -- Your swagger will attract attention. Try not to overshadow someone you care about, or you may disrupt the relationship. Think before you act to avoid a dispute.  
CAPRICORN (Dec. 22-Jan. 19) -- Don't let your emotions get in the way of accomplishing something you want to pursue. A change at home will end up being more beneficial than anticipated.  
AQUARIUS (Jan. 20-Feb. 19) -- Don't let someone from your past cost you financially or emotionally. Personal changes need to be considered carefully. Don't lose sight of what's practical and what's fantasy.  
PISCES (Feb. 20-March 20) -- A change in your personal life or to your lifestyle will be beneficial. If you make suggestions, you'll get help saving money. Share your feelings with someone special.  
ARIES (March 21-April 19) -- Don't take no for an answer. Your persistence will pay off. Past lessons and losses will help you make a better choice now. Plan a victory celebration.  
TAURUS (April 20-May 20) -- Physical and personal improvements should be considered carefully, or you may omit an important component that will disrupt your plans. Don't underestimate someone trying to compete with you.  
GEMINI (May 21-June 20) -- Emotions will drive you to finish something that has been going on for too long. Speak up and put an end to whatever is standing between you and what you want.

**Thursday, July 12, 2018**  
Give yourself the opportunity to try new things and develop creative endeavors that you've been contemplating. If you take a positive approach to life, you'll find it easier to get what you want. Accept the inevitable and embrace the changes that are made available to you. Romance is highlighted.  
CANCER (June 21-July 22) -- Update your image or show off your creative flair. Make a statement and explore new possibilities. If you've got it, why not flaunt it?  
LEO (July 23-Aug. 22) -- Check out your options before you make a move. You'll be disappointed if you act prematurely. Too much of anything will weigh you down.  
VIRGO (Aug. 23-Sept. 22) -- Start a diet or health regimen that will help you maintain your looks and keep you fit and ready to take on the world. You will attract friends and romantic interests if you socialize.  
LIBRA (Sept. 23-Oct. 23) -- Keep moving forward, no matter what everyone else is doing. It's important to finish what you start to avoid complaints. If you don't like something, speak up.  
SCORPIO (Oct. 24-Nov. 22) -- Let your emotions lead the way. Be proactive if you want to let someone know how much you care. Do more, say less and make adjustments that will encourage better personal relationships.  
SAGITTARIUS (Nov. 23-Dec. 21) -- Don't sit back and wait for someone else to take control. Trust and believe in your ability to figure things out on your own. Refuse to give in to impulse.  
CAPRICORN (Dec. 22-Jan. 19) -- Focus on what you can do, and turn your plan into a reality. Your sense of what will and won't work will give you the edge when faced with competition.  
AQUARIUS (Jan. 20-Feb. 19) -- Stick to what you know and can afford. Don't be tempted by someone who is a bad influence or unpredictable. Stick close to home and protect against identity theft.  
PISCES (Feb. 20-March 20) -- Physical transformation is highlighted. The changes you make will give you a new lease on life and the confidence to approach someone you may have shied away from in the past.  
ARIES (March 21-April 19) -- Stifle any feelings of animosity and look for the positive in whatever situation you face at home or work. If you don't make a fuss, you won't have to backtrack.  
TAURUS (April 20-May 20) -- If you express your feelings and discuss possibilities, you will be offered various opinions. Knowing where everyone stands will help you align yourself with the best support team.  
GEMINI (May 21-June 20) -- Use your intelligence to get your way. Refuse to let someone manipulate a situation to take advantage of you. Take better care of your health.
