Take a chance and try new things. Spend more time with the people you love as well as with those who help you to be a better person. Make a commitment that will improve your home and personal life. Lower your overhead and save for the future.

CANCER (June 21-July 22) -- An unexpected opportunity will give you a chance to use your talents in diverse ways. Expand your resume to include qualifications that boost your marketability and ensure higher returns.

LEO (July 23-Aug. 22) -- Stay in control, budget carefully and do your best to get along with the people who can influence the outcome of what you are trying to achieve.

VIRGO (Aug. 23-Sept. 22) -- Pay close attention to detail. A positive change to your appearance or presentation style will drum up interest. Socializing, romance and pleasure trips are favored.

LIBRA (Sept. 23-Oct. 23) -- Make your position clear and follow through with your plans. Don't let opposition cause uncertainty. Adjust to situations you cannot change and keep moving forward. Avoid anyone trying to meddle in your affairs.

SCORPIO (Oct. 24-Nov. 22) -- Learn from a quickly developing emotional situation. Draw on your intuition to help you sidestep a smooth talker trying to take advantage of you. Choose your friends and partners wisely.

SAGITTARIUS (Nov. 23-Dec. 21) -- Don't make a spur-of-the-moment purchase. Discuss your plans with someone you know you can count on. Someone from your past will want to reconnect.

CAPRICORN (Dec. 22-Jan. 19) -- A domestic change will make you feel good. Rearrangements or updates that will make your home run more efficiently should be put into play. A personal commitment can be made.

AQUARIUS (Jan. 20-Feb. 19) -- Listen to what's being said and respond appropriately. Don't overreact or let anyone pressure you to get involved in something that you cannot afford or simply don't want. Speak on your own behalf.

PISCES (Feb. 20-March 20) -- Do things your way. You'll stand out and make an impression on someone who will help you bring about a positive personal change.

ARIES (March 21-April 19) -- Don't let your emotions interfere with what you are trying to accomplish. Take care of your responsibilities regardless of what's going on in your personal life.

TAURUS (April 20-May 20) -- Added discipline will help you start and stick to a new diet or fitness regimen. A new look will boost your confidence and encourage you to make a romantic gesture.

GEMINI (May 21-June 20) -- Before you make changes based on someone's suggestion, find out how much it will cost. Ask questions and make decisions based on facts, not on assumptions. Keep your possessions in a safe place.

Saturday, July 14, 2018

Don't leave anything to chance this year. Calculate your every move and make things happen. Opportunity is within reach, and with the right connections and a little ingenuity and hard work, good things will transpire. Personal improvements will help you change your lifestyle and boost your standard of living.

CANCER (June 21-July 22) -- You can change the way people view you by taking positive action. Support a cause and help build a better environment for you and those you love.

LEO (July 23-Aug. 22) -- Simplicity is the key to getting by without stress or opposition. Only promise what you feel is doable. Trying to buy someone's attention will lead to a loss and disappointment.

VIRGO (Aug. 23-Sept. 22) -- A short trip to visit an old friend or relative will result in valuable information that will help you make personal changes. Romance is encouraged.

LIBRA (Sept. 23-Oct. 23) -- Keep moving until you are satisfied with the results you get. It's important not to let down the people counting on you. Make suggestions and follow through with your plans.

SCORPIO (Oct. 24-Nov. 22) -- Lie low and keep busy. Now is not the time to become agitated or wage a senseless battle with someone who doesn't see things your way. Offer peace, not discord.

SAGITTARIUS (Nov. 23-Dec. 21) -- Express your thoughts and feelings and take better care of your finances and belongings. Don't overspend just to make an impression. Say no when in doubt or under pressure.

CAPRICORN (Dec. 22-Jan. 19) -- Take the initiative and alter your home to fit your changing lifestyle. Make a point to tie up loose ends and let your intentions be known. Romance is featured.

AQUARIUS (Jan. 20-Feb. 19) -- Keep your emotions under control. Overdoing it mentally, physically or financially will lead to regret. Focus on what's doable and work with, not against, those who love and support you.

PISCES (Feb. 20-March 20) -- Use your imagination to come up with an impressive plan that will draw interest from someone you fancy. Love is on the rise.

ARIES (March 21-April 19) -- Try something new. Learn from experienced people and observe how others deal with situations and challenges. Don't let anyone make you feel guilty for wanting to have fun.

TAURUS (April 20-May 20) -- The nature of your reactions makes a difference. Plan to do something nice for someone. Talking about what you can offer and doing what you say will determine how others respond.

GEMINI (May 21-June 20) -- Make plans to host an event or alter your living space to fit your needs. Don't let your enthusiasm or someone else's hype lead you to overextend yourself emotionally or financially.
