

As this election season comes to a close, I am campaigning to continue to support our Warren County **TEACHERS** who I think are the **BEST!** Our teachers work hard and do not deserve to be blamed for poor test scores!

Our **TEACHERS** and our **STAFF** also deserve to be paid for the hard work that they do every day.

I am campaigning to allow our teachers to focus on **MORE TEACHING** and **LESS TESTING**. I am also campaigning because our **KIDS** deserve a better future, and need to be prepared for college or a career when they graduate.

I'm campaigning to make sure we have **SAFE** schools so that **PARENTS** can be assured we are doing all we can to protect their children.

I am running on my **RECORD** as a teacher, coach and principal, and my proven **DEDICATION** to our school system.

This has been, and will continue to be **MY PLATFORM** for running for Re-Election.

Thanks to **EVERYONE** for the support you continue to show me and my family during this campaign. It means more than you will ever know.

I ask for your **VOTE** so that we can continue to fight for a better future for our students!

*Thanks and
God Bless!*
