HOROSCOPES

Astrograph by Eugenia Last

Friday, July 6, 2018

Look past anything negative you encounter this year to gain insight into the possibilities at hand. Head toward new beginnings and make changes to the way you do things. It's time to end old conditions and replace them with beneficial things.

CANCER (June 21-July 22) -- If you mix things up a bit, others will take note of what you are doing. An imaginative approach to a certain task will help you expand your marketability.

LEO (July 23-Aug. 22) -- You'll be opposed if you try to make too many changes. Don't overextend yourself or make impossible promises to appease someone putting demands on you. Make self-improvements instead of trying to change others.

VIRGO (Aug. 23-Sept. 22) -- Look at the possibilities and size up your situation. You stand to make personal gains if you are willing to initiate change. Don't be afraid to do things differently.

LIBRA (Sept. 23-Oct. 23) -- Get active and get fit. Put more effort into exercise, diet and feeling and looking your best. Participate in bringing about change. Share your thoughts and make use of your right to protest.

SCORPIO (Oct. 24-Nov. 22) -- Simplicity will help deter regret. Purge what you don't need and do your best not to get into an argument with someone pressuring you. Take the path that beckons you.

SAGITTARIUS (Nov. 23-Dec. 21) -- Personal improvements at home will make your life easier and your outlook better. Social encounters will be mentally and emotionally stimulating. Love is highlighted, and short trips are encouraged.

CAPRICORN (Dec. 22-Jan. 19) -- Look for the good in everyone and everything before you make a judgment call. Knowing what's truly going on will make a difference to the way you think and react.

AQUARIUS (Jan. 20-Feb. 19) -- Open up emotionally. Positive change will only take place if you make it happen. Follow your heart, but don't neglect to use common sense when dealing with romantic or passionate matters.

PISCES (Feb. 20-March 20) -- Socialize with like-minded people. The information and tips you gather will lead to a monetary gain. Be careful where you leave your possessions and personal information.

ARIES (March 21-April 19) -- Take pride in what you do. The hard work you put in will eventually lead to the rewards you desire. Personal change will require research and proper management.

TAURUS (April 20-May 20) -- You'll be tempted to make a personal change that could affect your livelihood or domestic stability. Don't take action prematurely or without keeping a close eye on the consequences.

GEMINI (May 21-June 20) -- Don't let the changes taking place bring you down. In hindsight, you'll realize that what transpires will have been in your best interest. Embrace the future.

Saturday, July 7, 2018

Knowing instinctively how you can be most effective will help you bring things together systematically this year. Whatever the challenge, your ability to read between the lines and come up with alternative ways to make things work will give you the edge you need to bring about positive change.

CANCER (June 21-July 22) -- If you take pride in what you do, others will take note. Reach high and far to ensure that you've taken advantage of everything available to you to create new possibilities.

LEO (July 23-Aug. 22) -- Don't wait until it's too late. If a situation appears to be spinning out of control, put an abrupt end to it before it costs you emotionally and financially.

VIRGO (Aug. 23-Sept. 22) -- Learn as you go and don't skip a beat. Your ability to call upon people with whom you have successfully worked in the past will pay off.

LIBRA (Sept. 23-Oct. 23) -- Take charge and do your own thing. Note what others have to offer, but don't entertain the thought of participating in a joint venture. Focus on physical improvements and romance.

SCORPIO (Oct. 24-Nov. 22) -- Learn all you can and update your qualifications to suit the changing job market. Know your strengths and put a unique spin on what you have to offer.

SAGITTARIUS (Nov. 23-Dec. 21) -- Be reasonable when it comes to money matters. Spending money that you don't have will be viewed as irresponsible. Put greater emphasis on personal improvements, inner growth and romance.

CAPRICORN (Dec. 22-Jan. 19) -- Welcome change, and engage in activities that broaden your vision and help you improve your living arrangements and a relationship with a loved one. Make love and romance priorities.

AQUARIUS (Jan. 20-Feb. 19) -- Do what comes naturally. Don't feel obliged to follow someone else or give in to emotional manipulation. Set boundaries if someone tries to take advantage of you.

PISCES (Feb. 20-March 20) -- You may need a change, but making the right choice will be difficult if you let someone meddle in your affairs. Think and do for yourself, and avoid being led astray.

ARIES (March 21-April 19) -- Take part in activities that require skill and determination. Make physical changes that will enhance your looks. Let someone special know how much you care. Romance is encouraged.

TAURUS (April 20-May 20) -- Let others voice an opinion before you share yours. It's best to remain silent if it will help you avoid getting into a dispute. Focus on self-improvement, not on trying to change others.

GEMINI (May 21-June 20) -- Play an active role in whatever is happening in your community or with the people you usually hang with. Mental stimulation will lead to a better physical relationship.
