Send a message this year that you are not putting up with any nonsense and are focusing on you and your accomplishments. Dig in and do what you must to turn your life into the one you want. Surround yourself with people who respect and care about you.

LEO (July 23-Aug. 22) -- Nurture relationships and concentrate on self-improvement, personal growth and how to best reach your life goals. Make progressive changes that will help to stabilize your life.

VIRGO (Aug. 23-Sept. 22) -- A lifestyle change that will add to your comfort and bring you greater security or cash flow should be considered. An older relative or friend will offer stellar advice.

LIBRA (Sept. 23-Oct. 23) -- Emotional situations will surface if you pay too much attention to one person and not enough to another. Try to appease everyone by offering equal opportunities to get involved in your plans.

SCORPIO (Oct. 24-Nov. 22) -- Don't trust in hearsay. If you want facts, go to the source and ask direct questions. A last-minute change will lead to a unique chance to try something different.

SAGITTARIUS (Nov. 23-Dec. 21) -- You'll make an impression at work that will help you build better relationships with your peers. A joint venture will interest you, but should be considered carefully.

CAPRICORN (Dec. 22-Jan. 19) -- Don't neglect your health. An emotional incident will lead to positive change. Trust in your instincts and follow through with your plans. Protect your possessions and reputation.

AQUARIUS (Jan. 20-Feb. 19) -- Use your charm to wheel and deal until you get what you want. Refuse to let anyone speak on your behalf. It's your responsibility to set your goal and achieve it.

PISCES (Feb. 20-March 20) -- Look at your long-term goals and start heading in the direction that will take you where you want to go. A change at work will turn out to be to your benefit.

ARIES (March 21-April 19) -- Size up whatever situation you face and figure out the best way to bring about positive change. A partnership will improve if you intelligently discuss problems or obstacles.

TAURUS (April 20-May 20) -- You'll discover information that will change your way of thinking. Consider your options and choose to head in a direction that will encourage cooperation. Be a team player.

GEMINI (May 21-June 20) -- Personal and physical changes will turn out well. A social event will lead to discussions that will encourage a better understanding of your feelings and intentions.

CANCER (June 21-July 22) -- Get out and about. Embarking on a shopping spree or taking part in an event that will bring about positive change is favored. Control your emotions to avoid getting into a shouting match.

Thursday, August 16, 2018

Ease into change. Say no to anyone tempting you to join something you don't like. Look for innovative ways to bring about changes that will enhance your life, looks and relationships. Keep the peace and don't meddle or let others interfere in your life.

LEO (July 23-Aug. 22) -- Emotional situations will mount if you or someone else makes a last-minute change that disrupts plans. Keep the peace to accomplish more. Choose kindness over criticism.

VIRGO (Aug. 23-Sept. 22) -- Take a fresh look at an old idea. A slight change will make the difference between stagnation and progress. Older and younger people will offer innovative solutions.

LIBRA (Sept. 23-Oct. 23) -- You have plenty to offer, but don't let anyone take advantage of your generosity. Keeping the peace is admirable, but you must know when to say no. Take better care of yourself.

SCORPIO (Oct. 24-Nov. 22) -- Emotions will be rumbling around in your head. Don't share with insensitive people who can't fully understand where you are coming from or how important something is to you.

SAGITTARIUS (Nov. 23-Dec. 21) -- Count your money, tuck your possessions away somewhere safe and help only those who are truly in need. Focus on personal gains and spending time with a loved one.

CAPRICORN (Dec. 22-Jan. 19) -- Make a difference by bringing about changes at home or work that will encourage others to pitch in and help. Incentives and praise will improve morale.

AQUARIUS (Jan. 20-Feb. 19) -- Past problems will surface if you get into an emotional discussion with someone who doesn't remember things the same way you do. Silence is golden, and actions speak louder than words.

PISCES (Feb. 20-March 20) -- Gains can be made if you utilize your skills to help yourself and the people counting on you. Share your thoughts, not your cash.

ARIES (March 21-April 19) -- Get involved in activities that require intelligence, motivation and stamina. A change regarding a partnership should be handled delicately. If someone overreacts, back away. Offer love, not chaos.

TAURUS (April 20-May 20) -- Change can be good, as long as it's carefully considered. Learn from the experts and handle each situation you face with diplomacy. Listen, observe and look at the facts before you react.

GEMINI (May 21-June 20) -- Trust in your feelings, not in what someone wants you to believe. Self-improvement will lift your spirits and encourage you to bring about positive change at home and in important relationships.

CANCER (June 21-July 22) -- Make a change for the right reason. You may feel emotional about something that happens, but acting too quickly will cause a feud instead of resolving the situation.
