## HOROSCOPES

### Astrograph by Eugenia Last

**Friday, August 17, 2018**

Do whatever it takes to get your life in order. Networking and educational pursuits will help you navigate your way into places and positions that will bring positive results. Personal improvements will enhance your personal life.

LEO (July 23-Aug. 22) -- Don't tempt fate or make assumptions. Know what is and isn't possible and adjust your plans to suit the climate you face. Focus on self-improvement instead of trying to change others.

VIRGO (Aug. 23-Sept. 22) -- A change you make will help stabilize your domestic life. Try to eliminate problems that have been lingering for too long. It's time to embrace the present.

LIBRA (Sept. 23-Oct. 23) -- Think matters through and choose to err on the conservative side. Too much of anything will end up ruining your plans. Charm and diplomacy are encouraged.

SCORPIO (Oct. 24-Nov. 22) -- Emotions will escalate. Think about your options and look for alternatives that will not upset others. Be discreet and do your own thing to avoid discord.

SAGITTARIUS (Nov. 23-Dec. 21) -- A mental and physical display of your capabilities will be impressive. Negotiations, settlements and contracts are favored. Romance will enhance your life.

CAPRICORN (Dec. 22-Jan. 19) -- The changes you bring about at home and work will improve your relationships and emotional environment. Offer help and avoid complaints.

AQUARIUS (Jan. 20-Feb. 19) -- You must be cautious when dealing with friends and relatives. Don't feel that you need to take part in something excessive if it doesn't suit your budget or emotional outlook.

PISCES (Feb. 20-March 20) -- You'll have interesting ideas that can lead to financial gains, better contracts or working in conjunction with someone who has something to contribute. Offer your insight and see what transpires.

ARIES (March 21-April 19) -- Your involvement in events or activities that require intelligence will also tax your ability to stay under budget. Big ideas are great, but discipline will be required.

TAURUS (April 20-May 20) -- It's OK to change your mind. Don't hesitate to say no to someone trying to enforce the impossible. Keeping your plans simple and moderate will help you avoid loss.

GEMINI (May 21-June 20) -- Personal pampering, home improvements and a little romance are all favored. Taking a spa day or pleasure trip or inviting friends over is encouraged. Tell a loved one how you feel.

CANCER (June 21-July 22) -- Your input will be appreciated. Offer a tidy plan that is not only within budget but also includes everyone pitching in to help. Take a leadership position if you want to make a difference.

**Saturday, August 18, 2018**

Make changes that will boost your confidence and make you feel good about who you are and how you look. Stick to basics and get back to nature. Find the beauty within and show the world what you have to offer. Simplicity, kindness and romance should be your priorities.

LEO (July 23-Aug. 22) -- Look for unique ways to improve your home life without going into debt. You cannot buy love; you must earn it. Pitching in and doing your part will help.

VIRGO (Aug. 23-Sept. 22) -- Taking short trips, visiting friends or relatives or just changing your routine will give you the pick-me-up you need to spark new ideas or find ways to move in a positive direction.

LIBRA (Sept. 23-Oct. 23) -- You'll do better helping strangers than you will trying to please the people close to you. Take a moment to do something that makes you feel good about your appearance.

SCORPIO (Oct. 24-Nov. 22) -- Plans can be made, and get-togethers are encouraged, as long as you don't overdo it. You don't have to spend a lot of money to make a personal change.

SAGITTARIUS (Nov. 23-Dec. 21) -- Old friends will be a reminder of what made you move on. Don't let someone put you down. Use charm and diplomacy to show how far you've come.

CAPRICORN (Dec. 22-Jan. 19) -- Stick close to home and make the alterations that you've been contemplating. A change will make you feel good about your life and the direction in which you are heading.

AQUARIUS (Jan. 20-Feb. 19) -- Put your best foot forward when dealing with others. How you share your thoughts and engage in activities will set the tone for how well you will get along going forward.

PISCES (Feb. 20-March 20) -- An emotional situation can set your plans back. Choose not to meddle in other people's affairs. Focus on your personal interests and finances. Aim to stabilize your life, not to disrupt it.

ARIES (March 21-April 19) -- Engage in events that will encourage new friendships and discussions regarding your intentions. Be willing to give a little to get a little.

TAURUS (April 20-May 20) -- Discuss your feelings with a loved one. If you want to make changes at home or to your relationship, it's best to be open and honest about your plans before you begin.

GEMINI (May 21-June 20) -- Put more time, effort and thought into looking your best and projecting the image you want to portray. Social events will lead to interesting discussions that encourage positive change.

CANCER (June 21-July 22) -- Express your feelings and consider alternative ways to do things that will please others. Take better care of your health. Proper fitness and diet should be enforced.
