HOROSCOPES

Astrograph by Eugenia Last

A change of scenery will do you good. Visit destinations you've never been to before or look for educational pursuits that will open your mind to the unfamiliar. It's up to you to navigate your way to victory.

VIRGO (Aug. 23-Sept. 22) -- Sort through any differences you have with a friend or relative calmly if you want to make progress. A change of pace, location or mode of communication will improve your outlook.

LIBRA (Sept. 23-Oct. 23) -- Don't make a big deal out of a trivial situation. Let things unfold naturally, and adapt to the changes happening around you. Do your share and avoid complaints.

SCORPIO (Oct. 24-Nov. 22) -- Don't let an emotional situation lead to an argument. You'll do better if you are less aggressive and more empathetic to other people's needs. Don't disrupt things when you should be facilitating them.

SAGITTARIUS (Nov. 23-Dec. 21) -- How you help others will make a difference. If you take over other people's responsibilities, they will never learn how to take care of themselves. Oversee rather than overdo.

CAPRICORN (Dec. 22-Jan. 19) -- If you give whatever you do your best shot, positive change will come about. Money is heading your way. Collecting an old debt, making an investment or looking over your resources is favored.

AQUARIUS (Jan. 20-Feb. 19) -- Leave well enough alone. You are best off taking a breather and figuring out a way to move forward with the least amount of stress. Reject temptation.

PISCES (Feb. 20-March 20) -- You've got plenty to gain by following your instincts. A chance to collaborate with someone should be considered carefully. Don't mix business with pleasure. A change of heart is likely.

ARIES (March 21-April 19) -- Do your best to work amicably. You'll accomplish more if you can get along with others and concentrate on doing what you do best. More action and less talk will get the job done.

TAURUS (April 20-May 20) -- Embrace change and don't look back. Use your intelligence and knowhow to get things done properly. A kind gesture will help you avoid upsetting a loved one.

GEMINI (May 21-June 20) -- Take a closer look at what others are doing. You may have to make an adjustment to uphold your end of a bargain. Don't trust someone making idle promises.

CANCER (June 21-July 22) -- Go over every detail and size up your situation before making a move. Look for the best way to bring others together to lighten your load. If you coordinate well, you will control the outcome.

LEO (July 23-Aug. 22) -- Don't initiate change. Wait and see what needs to be done, and choose the amount of time, money and effort required rather than overdoing it.

Thursday, September 13, 2018

Communication will bring about positive change. A challenge will boost your confidence and encourage you to take on new adventures. If you express what you want, the people whose approval and perhaps support you seek will accommodate you. Partnerships and romance will enhance your long-term prospects.

VIRGO (Aug. 23-Sept. 22) -- Participate in events that will encourage you to make personal changes. Set high standards and strive to reach your goals. Choose to bring about change instead of being forced to accept it.

LIBRA (Sept. 23-Oct. 23) -- Be cautious when dealing with older family members. Do your best to get along to avoid a misunderstanding. Change can be good if it's done properly. Taking baby steps will encourage a positive response.

SCORPIO (Oct. 24-Nov. 22) -- Embrace your feelings and share them with a loved one. Working in unison with someone who has similar goals and a passion to do the right thing will enhance your chances of success.

SAGITTARIUS (Nov. 23-Dec. 21) -- Go over past mishaps to ensure that something similar doesn't happen again. Listen carefully and question anything that doesn't sound accurate. Know what you are up against before setting an example.

CAPRICORN (Dec. 22-Jan. 19) -- Consider what you'd rather be doing, and look into new possibilities that will help you fulfill your dreams. It's never too late to start over. Romance is highlighted.

AQUARIUS (Jan. 20-Feb. 19) -- Take what others say in stride. Everyone is entitled to his or her opinion. Don't get into a debate when your time is better spent getting things done.

PISCES (Feb. 20-March 20) -- Set high standards and strive to reach your goals. Your efforts will bring good results. There is money to be made if you are innovative and willing to try something new.

ARIES (March 21-April 19) -- Keep moving forward, regardless of the challenges you face or the people who try to lead you astray. Trust and believe in yourself and your abilities.

TAURUS (April 20-May 20) -- Make changes for the right reasons and build a strong and stable base for your plans. Make partnerships a priority. You can flourish!

GEMINI (May 21-June 20) -- Protect your rights. Don't share personal information. Dealing with institutions will be difficult and should not be left for someone else to handle. Represent your interests personally.

CANCER (June 21-July 22) -- Make your voice heard. The suggestions you make will give you a place at the table when negotiations begin. Whether dealing with superiors, family or friends, you must speak from the heart.

LEO (July 23-Aug. 22) -- Resign yourself to things you have no control over, and keep moving forward. You are best off keeping your plans to yourself if you want to avoid interference.
