A change will do you good. Put the past behind you and look for brighter days ahead. You've got the wherewithal to bring about positive outcomes, and you shouldn't waste time procrastinating or waiting for something to happen. Initiate the progress that will make you happy.

VIRGO (Aug. 23-Sept. 22) -- New scenery will stimulate you mentally, physically and emotionally. You can make a positive adjustment to your lifestyle if you undergo a transformation.
LIBRA (Sept. 23-Oct. 23) -- You need clarity in your life. If you don't fully understand something, ask questions. Find out where you stand so you can decide what to do next.
SCORPIO (Oct. 24-Nov. 22) -- Interacting with people who share your interests or creative skills will lead to interesting opportunities. Taking short trips, visiting old, familiar places or reviving old friendships is favored.
SAGITTARIUS (Nov. 23-Dec. 21) -- Communication must be handled carefully. Don't say anything that may be twisted or used against you. Protect your reputation and avoid gossip. Don't reveal your plans, opinions and personal information.
CAPRICORN (Dec. 22-Jan. 19) -- You can charm others into seeing and doing things your way and make some lucrative investments if you stay focused on positive change. Romance and personal contracts are encouraged.
AQUARIUS (Jan. 20-Feb. 19) -- Don't be a follower. If someone indulges or overspends, don't feel you must keep up. Play it safe and don't put your cash, possessions and reputation on the line.
PISCES (Feb. 20-March 20) -- You'll attract a lot of attention. Helping others will make you feel good and will lead to some positive changes in your life. A romantic gesture will stabilize a personal relationship.
ARIES (March 21-April 19) -- Take work home with you if it will help alleviate professional stress. Staying on top of your responsibilities is encouraged. Don't jeopardize your reputation or position.
TAURUS (April 20-May 20) -- Size up your options and choose what's best for you. You can make substantial gains and build good connections with people if you take part in events that are linked to professional opportunities.
GEMINI (May 21-June 20) -- Don't trust someone who is trying to sell you something. An emotional tactic used to get you to buy into something or volunteer your services for free should be handled with intelligence.
CANCER (June 21-July 22) -- What you share with family or friends will spark an idea that can turn into a prosperous endeavor. Trust and believe in yourself and what you are capable of doing.
LEO (July 23-Aug. 22) -- Don't make a change just because someone else does. Avoid overspending on luxuries you don't need just to please someone. You cannot buy love; you must earn it. Offer empathy and affection.

Monday, September 10, 2018
Communicate, share and build your dreams with the people you love. Look to the future with optimism, hope and a desire to make a difference. Change is within reach; all you have to do is make it happen. Use your imagination, strength and courage to take charge.
VIRGO (Aug. 23-Sept. 22) -- Make the choice to do all you can. Bringing about change is never easy, but the satisfaction you gain by doing something good will be yours to keep forever.
LIBRA (Sept. 23-Oct. 23) -- Listen carefully and make amendments to whatever doesn't sit well with you. Honesty and openness will help you avoid stress caused by always trying to please everyone around you.
SCORPIO (Oct. 24-Nov. 22) -- Personal changes will energize you. Whether it's an alteration at home or to your appearance, the outcome will give you the boost you need to take on bigger pursuits. Romance is highlighted.
SAGITTARIUS (Nov. 23-Dec. 21) -- Keep an open mind, but don't let anyone railroad you into doing something you shouldn't. If you desire change, take a close look at yourself and strive for self-improvement.
CAPRICORN (Dec. 22-Jan. 19) -- Go over important papers and make adjustments that will lead to new opportunities. Organization and preparation will be important.
AQUARIUS (Jan. 20-Feb. 19) -- Patience, passion and hard work will pay off. Don't make minor setbacks a big deal, and say no to anyone trying to push you to overspend.
PISCES (Feb. 20-March 20) -- You'll have plenty of ideas, but what will truly make the difference will be the people you choose to work alongside. Collaborate with those who bring out the best in you.
ARIES (March 21-April 19) -- Embrace your emotions and consider what and who you are up against. Play to win and boost your energy levels to ensure that you reach your goal on time.
TAURUS (April 20-May 20) -- Change can be good if you have a well-thought-out plan in place. Think big, but maintain balance and meet your budget. Tackle things in stages.
GEMINI (May 21-June 20) -- Taking short trips and attending events will lead to knowledge and new opportunities. Do your own fact-checking and create your own vision. Listen to suggestions, but do what's best for you.
CANCER (June 21-July 22) -- You can start projects that will encourage change at home and work. How you handle others will make a difference to the outcome. Encouragement will bring you closer to your goal.
LEO (July 23-Aug. 22) -- Accept the inevitable, but don't initiate change. Joint ventures aren't in your best interest, and making changes at home would be too expensive. Bide your time.

Tuesday, September 11, 2018
Don't let change surprise you. Instead, be the one to instigate what you want to see unfold. A personal update or signing up for a course that will encourage you to change direction or advance to a higher level is favored. Personal relationships should be nurtured and protected.
VIRGO (Aug. 23-Sept. 22) -- A trip or gathering with people you don't see very often will open your mind to a host of new possibilities. If you add to the conversation, a new venture will develop.
LIBRA (Sept. 23-Oct. 23) -- Emotions will surface and should be carefully handled to avoid any distress. Giving someone the wrong impression will leave you in a difficult situation.
SCORPIO (Oct. 24-Nov. 22) -- Don't share secrets, or someone will use them against you. Work toward your goal, but don't present what you are doing until it is polished. There will be no room for error.
SAGITTARIUS (Nov. 23-Dec. 21) -- Stay focused on your responsibilities. Don't be a follower. Someone will lead you astray if you put too much credence in an exaggerated or false impression.
CAPRICORN (Dec. 22-Jan. 19) -- Tame any emotional urges you have before you say or do something you'll regret. Focus on your personal finances, health or legal matters, and fight the urge to retaliate.
AQUARIUS (Jan. 20-Feb. 19) -- A problem with an institution can be overcome if you make a couple of adjustments before you present what you want to do. Stay on top of medical concerns and personal investments.
PISCES (Feb. 20-March 20) -- Handle partnerships with care. Listen and respond positively and you will make headway regarding joint ventures you want to pursue. Romance will bring you closer to a loved one.
ARIES (March 21-April 19) -- Consider how you can help or offer someone words of encouragement. A positive attitude will help you avoid being pushed away or ostracized from a conversation.
TAURUS (April 20-May 20) -- Don't let anyone push you into moving forward prematurely. Time is on your side, and you'll know when you are ready. Choose your battles wisely and take all the time you need.
GEMINI (May 21-June 20) -- Keep moving until everything is complete. You'll get a sense of satisfaction when you put your responsibilities behind you. Don't waste time helping someone else get ahead.
CANCER (June 21-July 22) -- Keep your emotions in check. Don't lend money or possessions. A change at home will turn out to be more beneficial than first anticipated.
LEO (July 23-Aug. 22) -- Collaborate with people who share your concerns. Working toward a goal that will bring about change will lead to opposition. Decipher who is and isn't on your side.
