

Volunteers Needed To Assist With Jamboree 2019

Following this year's Smithville Fiddlers' Jamboree, the board of directors are already recruiting adult and teen volunteers for Jamboree 2019, along with a special committee completely dedicated to the 50th Year Anniversary coming in 2021.

With improvements like the new 40x60 dining tent in place, the Jamboree Board is reaching out to the DeKalb County community for teens and adult volunteers for various roles including much needed help in keeping the tables clean and clear of debris throughout the festival for 2019.

"We currently have 25 dedicated Junior Jamboree Volunteers that helped us last year in multiple ways. With the new dining tent, we need more help than ever before. You can volunteer for a two-hour shift, or as much as a whole day. We are grateful for anything that you are willing to contribute. DCHS students can use these hours towards their Tennessee Promise requirements as well," said Emily Burklow, Junior Jamboree Board President, "It takes all of

us together to keep this festival clean and running smoothly. This is a great way to give back."

To sign-up as an adult volunteer (21 & up) or join the Junior Jamboree Board (ages 14 to 20), contact the Volunteer Director via text message 615-594-2792, call the Jamboree Office at 615-597-8500, or email: smithvillejamboree@gmail.com. For information on the Smithville Fiddlers' Jamboree and Crafts festival, join their facebook page @SmithvilleJamboree, or go to: www.fiddlersjamboree.com.
