

USED VEHICLES

Tim's Motors

Tim's Motors can toot its horn because the business has won Best of the Best used vehicles eight years in a row.

Stacey Floyd said, "We would like to thank everyone who voted for us. We are humbled and we appreciate this award."

Tim Floyd and his wife Stacey started the business in 1997 under the name Mt. Leo Auto Detail Shop. They started cleaning cars and tinting windows to get their foot in the door to have the possibility to start their own auto dealership.

Their love of cars drove their idea of creating what their business is today.

In 2001, the Floyds decided it was time to add to their growing business and create what it is known today, Tim's Motors.

They chose to move to the north side of town to receive more traffic. They decided on Smithville Highway as their new location under the name Tim's Motors and operated a lot next to L&M Floors.

In 2009, Tim's Motors purchased the old Dodge dealership property, a 6-acre site with a 15,000-square-foot showroom and garage.

They say it is a wonderful location to

provide for their customers with more automotive choices.

Tim's Motors offers high-quality window tinting done by Stacy herself. They have also added auto rentals and auto accessories.

They still maintain the level of customer service their customers have grown accustomed to over the years. Tim still hand picks all the cars on the lot and thoroughly checks, services, and makes sure all vehicles are ready.

Tim and Stacey look forward to serving their customers in the future and thank the community for their support. Tim's Motors is located at 1414 Smithville Highway.

Second place goes to Riverside Custom. Third place is The Truck Lot.

FORMAL WEAR

Upton's Bridal and Formal Boutique

Dress up and show out with gowns and tuxes from Upton's. This year the Best of the Best formal wear goes to Upton's Bridal and Formal Boutique.

Owner Dena Upton says, "I'm super flattered our customers voted for us. Everyone at the shop loves their job and it's so much fun helping people find the dress for their special day whatever that might be."

The building that Upton's Boutique is in used to be a thrift store and then it was known as The Cat's Meow. Upton bought the building and turned it into a classy bridal and formal wear store in August, 2016.

Upton's carries wedding dresses from designer Casablanca and bridesmaid dresses from designer House of Wu. Dena Upton showcases her dresses at many bridal shows around the Middle Tennessee area using local girls as her models.

Upton's also carries prom and pageant

dresses from designers Blush, Rachel Allan, and Jovani for every girl looking for a dress to fit their special occasion. Along with shoes and jewelry to match. Not only does Upton's carry dresses, but the store carries tuxes for everyone to look their very best.

Upton's Boutique is trying to get the word out about its special line of quinceañera dress. Dresses range from many colors and sizes. Worker Tammie Gutierrez says people formerly had to go out of town for these exquisite dresses, but now

they can buy them locally.

Local customer Evan Cambell said the reason he and his future wife choose to shop at Upton's is because of "the pretty, sparkly display at the front." He further said the dresses always draw in his soon-to-be wife and daughters.

Second place goes to Kathy's of McMinnville. Third place goes to Goody's.
