Annis Hill was recently at Raintree Manor for therapy. Mrs. Hill stated, “from the moment I came into Raintree I was greeted with smiles and wonderful care and look at me now, I am back home and doing great”. She also says, “I would highly recommend Raintree Manor”.

Pictured are VJ Joshi, Physical Therapist and Annis Hill on a recent visit to Mrs. Hill's home. VJ was one of her favorite therapists and she was certainly excited to see him.
