You can not vote for me till August! This is very important! I am the BEST candidate for this office for I am neither republican nor democrat. I bleed red, just like you and this is why I feel I'd be the best candidate for this job! I encourage young and old alike to voice your privilege to vote! PLEASE "like" and "share" my Facebook page, votefordc, and I look very forward to serving Warren Co. and McMinnville as ALL city and county voters can vote for this me in this race come August 2018.

Thank you all in advance for the encouragement and kindness thus far and remember

"Vote For Me, DC, For RD"!
