FESTIVAL PRESIDENTS - Ashley Culpepper joins a group of distinguished Humboldtans who have had the honor of serving the Strawberry Festival as presidents. There were 28 festival presidents who attended last year's President's Reception.

Camryn,

Life is too short, live in the moment. Eat the chicken on the stick and an extra piece of strawberry shortcake, ride the Ferris wheel, dance to the beat of the drums and smile and wave confidently. Embrace and cherish the memories this week will bring. Congratulations and we are so proud of you! We are and will always be, your biggest fans!

**Love,
Mom & Dad**
