

FLAT OF BERRIES - In keeping with tradition, Gov. Bill Haslam was presented with a crate of Gibson County, Tennessee strawberries after speaking at the Governor's Luncheon last year. Festival president Ashley Culpepper (left) and general chairman Melissa Swingler present the berries along with luncheon co-chairs Alex Smith and Greer Lashlee.

MISS TENNESSEE -Miss Tennessee Grace Burgess graced the parade route during last year's Grand Floats Parade, riding in style in a sporty red convertible driving by Tim Hayes. Burgess later sang the National Anthem at the Governor's Luncheon held at Humboldt Medical Center.
