it. Our biggest problem right now is playing disciplined, assignment gap defense.”

The Dogs will return five starters on each side of the ball.

Quarterback Taylor Lockhart returns for his third straight season and veterans Austin White and Landon West will anchor the offensive line. Dylan Mayberry returns at receiver as does the sure handed Devante Herron.

Jimari Weathers was the second leading tackler a year ago and returns to direct the defense at middle linebacker. Mayberry, Herron and Damarius Bates return to the secondary and Elijah Soltys returns to the D-line.

Eleven experienced seniors expected to lead Pioneers

Beginning his third season at Gibson

County High School, Head Coach Cody Finley continues to improve the Pioneers' competitiveness both in practice and in games. With 11 experienced seniors leading this year's team, Gibson County possesses the potential to challenge for wins in Region 7-2A.

“Mainly, the thing we have run into the past several years is that we have 14-, 15- and 16-year-old kids playing against 18-year-olds. For here, 11 seniors is a pretty good number. It is a pretty good class. All of them have been contributing for several years now and they have a lot of game experience underneath their belts,” Finley.

GCHS plays in the competitive Region 7-AA against the defending state champs in Union City, Adamsville, Peabody, McKenzie, Trinity Christian and Halls.

“In order for us to make the playoffs, which is our goal every year, we will have to upset a few people,” Finley said.
