

Mills County Church Directory

Mills County is blessed with lots of churches in many popular denominations. Our churches always welcome visitors to their services. A few of our churches are on the larger size, but the vast majority of our churches are small by anyone's standards. But these small community churches are a wonderful change if you come from a large city congregation.

Each week, The Goldthwaite Eagle publishes Bible Verses in the pages of the newspaper. It is uncommon in the media industry to publish bible verses, but Eagle Publisher Steven Bridges feels it is important to share the Word of God with his readers. So, watch The Eagle for Bible Verses every week.
