

One of the largest bands in JCJC history ready to rock this year

Greene County once again well-represented in the Maroon Typhoon

Special to the Herald

Audiences will see one of the largest Maroon Typhoon Marching Bands in recent history with 213 members this season at Jones County Junior College.

As has been the case throughout the Maroon Typhoon's history, Greene County is well represented among the band's membership. Greene County students in the JCJC band are Joshua (Kenneth) Anderson - alto sax; Rylee Pierce - clarinet and Cameron Graves - trombone, French horn and trumpet. The Maroon Typhoon's show will be one of the most "trendy" presentations showcasing an assortment of punk and grunge rock tunes. The Typhoon will blow you away with recent hit songs, "In the End" by Linkin Park, "Heathens" by The 21 Pilots,

and the Touch of Gold will be featured in Offsprings', "Come Out N Play." Slowing things down, the band will perform the ballad, "Broken" by Seether and Amy Lee of Evanescence. The Maroon Typhoon's closer, "Thanks for the Memories" by Fall Out Boy will leave the audience wanting to see more! Performances this fall for the band include Meet the Bobcats this Thursday, Aug. 23rd at 7:30 p.m. on the Plaza of the C.L. Neill Student Center. The first home football game will be on Thursday, August 30, at 7 p.m. on Sim Cooley Field.

Practice makes perfect ...

Being a member of the GCHS marching band requires a high level of commitment and a lot of hard work. Band members put in a lot of hours practicing their music and their on-field routines. Shown here are some scenes from this season's fall band camp.
