## A tradition of winning ...

The Greene County women's basketball program has enjoyed steady success under the direction of Coach Dale Kimble, including a 70 percent winning percentage in the past three seasons (64-27). That type of success has followed Kimble throughout his long career, which included stints leading men's and women's programs at New Augusta, Perry Central, Brookhaven and Fruitdale prior to coming to GCHS. Although it is unlikely you will hear him mention it, a 16-win season with the Lady Cats this season will put Kimble over the 600-win mark for his career. Kimble is shown (Above) giving instructions to his team at the end of a practice session earlier this season. Always looking for coachable moments, Kimble is shown (Inset) talking to sophomore Gen Walley during the same practice.

**SUCCESS**  
is no accident  
IT IS HARD WORK
