slides, the river offers an array of experiences, said John Riggs, Riversport operations and events senior director.

"A lot of people don't know just how much we offer at the facility," he said. "No matter the interest or fitness level, we have something for everyone."

That includes things like bicycle pump tracks, climbing walls, sky zip and trail and bungee jumping; Youth Zone features the 48-foot inflatable Cloud Bounce, Sky Tikes and Kids Zip, among others. Lessons and training, as well as a restaurant and other facilities, are also available, Riggs said.

Riversport offers a wide variety of passes. From May 26 through Aug. 12, Boathouse District facilities are open from 11 a.m. until 6 p.m.; Aug. 18 through Sept. 3, the facility only has weekend hours, from 11 a.m. until 6 p.m.
