## THE SPARTAN TRADITION

**Head coach Jeff Kelly** has led the Saraland football program for seven full seasons — this fall will be his eighth — and in that time the Spartans have built a winning tradition. He has a 60-25 overall record, including a 38-17 mark against region opponents. The Spartans have played 15 playoff games and won eight of them under Kelly. But none of that success has come easily. “You’re going to have wars week in and week out and you’ve got to be ready for them,” Kelly says.
