

# SARALAND

## Kelly: This is how we do it

Saraland High School players take a knee and listen closely as coach Jeff Kelly delivers a message about how to be a winning football team. "Most of your games are going to come down to the wire," Kelly said. "So you've got to be in great condition, you've got to be mentally tough, when you're tired you've got to be able to play under pressure."
