

Elect ★ ★ ★ ★
**BILLY
WOODARD
MAYOR**

I bring a genuine business prospective to the table and a 24 year membership on the Smith County Commission. The voters in Smith County should think carefully about who should run their \$53, 000, 000.00 (million) budget. It must be run with business focus but also with compassion so that no-one is left behind. A rising tide lifts all boats, but we must reach out and help those not in the boat.

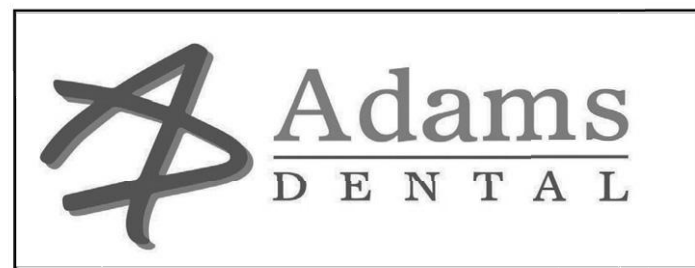

We have all the ingredients for success. We must have the right leadership in place to put it all together to have that success.

I would ask that you vote for Billy Woodard in the **August 2** election for your Mayor. Early voting begins July 13, 2018.

Paid for by candidate.
