Our Mission

The mission of Kindred Healthcare is to promote healing, provide hope, preserve dignity and produce value for each patient, resident, family member, customer, and employee we serve.

Customized Rehabilitation and Treatment

Our goal is to help patients achieve positive outcomes, regain function and safely return home as quickly as their recovery allows. Patients benefit from:

- access to therapy up to six days a week
- skilled and experienced clinicians, including physical, occupational, and speech therapists
- specialized equipment and innovative therapy techniques
- individualized treatment based on the patient's abilities and goals
- home assessments to ensure safe discharge home
- outpatient rehabilitation if needed
